Amounts listed below are the Cost Share amounts **you pay**.

Other Important Information affecting the amount you will pay:

- Cost Share amounts you pay under this Pharmacy Program will not apply to the Out-of-Pocket Maximum on your health plan.
- If you or your Provider request a Brand Name Prescription Drug when there is a Generic Prescription Drug available; you will be responsible for:
 1. the Cost Share amount that applies to the Brand Name Prescription Drug you received, or in the case of a Non-Preferred Prescription Drug, the Cost Share amount that applies to Non-Preferred Prescription Drugs, as indicated in this Schedule of Benefits; **and**
 2. the difference in cost between the Generic Prescription Drug and the Brand Name Prescription Drug or Non-Preferred Prescription Drug you received, unless the Provider has indicated on the Prescription that the Brand Name Prescription Drug or Non-Preferred Drug is Medically Necessary.

Note: The difference in cost described in 2 above is a benefit penalty and therefore does not help to satisfy your Deductible or Out-of-Pocket Maximums.

- Specialty Drugs are only covered when purchased from the Specialty Pharmacy and only up to a One-Month Supply.
- Some Specialty medications may be dispensed in lesser quantities due to manufacturer package size or course of therapy and certain Specialty Pharmacy products may have additional quantity limits.

ADMINISTRATIVE PROVISIONS

Introduction

Thank you for choosing Florida Blue, a leader in health care financing solutions for over 50 years. **BlueChoice** combines the benefits of a preferred provider organization network ("PPO") and a traditional insurance program. If you are an employer and have purchased this coverage for your employees and their covered dependents, you have established an employee welfare benefit plan ("Group Plan"). This Group Master Policy (herein "Policy") will evidence the existence of the Group Plan and describes the rights and obligations which you and Florida Blue have with respect to the coverage and/or benefits to be provided by us.

References to "we", "us", "our" and "Florida Blue" throughout this Policy refer to Blue Cross and Blue Shield of Florida, Inc.

In exchange for your payment of the Premium, we agree to provide the coverage and/or benefits specified in the Benefit Booklet (herein "Booklet"), a copy of which is made a part of this Policy. The health care coverage and benefits to be provided under this Policy are subject to all the requirements set forth in this Policy, including the Booklet and any Endorsements issued by us.

This Policy is divided into two parts. The first part contains various administrative and other provisions relating to your agreement with us. You should make sure that you read and understand these provisions as they describe important obligations applicable to you and us. The second part of the Policy is the Booklet. The Booklet describes the coverage, benefits, exclusions, and limitations under this Policy. The Booklet includes the Schedule of Benefits, any applicable Enrollment Forms and any Endorsements to the Booklet or Policy. Any Endorsements issued by us modifying the Booklet or the first part of this Policy are also part of this Policy.

If you have questions or complaints, please call our customer service department at 800-FLA-BLUE.

Definitions

Certain terms defined in the first part of the Policy are also used and defined (for the convenience of Covered Persons) in the Booklet. If a word or phrase starts with a capital letter, it is either the first word in a sentence, a proper name, a title, or a defined term. In addition to the definitions set forth in the Booklet, the following terms apply to this Policy:

Anniversary Date means the date, one year after the Effective Date, stated on the Group Application and subsequent annual anniversaries or such other date as mutually agreed to in writing by the parties.

Covered Dependent means an Eligible Dependent who continues to meet all applicable eligibility requirements described in the ELIGIBILITY FOR COVERAGE section of the Booklet and who is enrolled, and actually covered, under the Policy other than as a Covered Employee.

Covered Employee means an Eligible Employee, or other individual, who continues to meet all applicable eligibility requirements described in the ELIGIBILITY FOR COVERAGE section of the Booklet and who is enrolled, and actually covered, under the Policy other than as a Covered Dependent.

Covered Person means a Covered Employee or a Covered Dependent.

Effective Date for the Group means 12:01 a.m. on the date specified on the Group Application and for Covered Persons means 12:01 a.m. on the date coverage will begin as specified in the ENROLLMENT AND EFFECTIVE DATE OF COVERAGE section of the Booklet.

Eligible Dependent means an individual who meets and continues to meet all of the eligibility requirements described in the ELIGIBILITY FOR COVERAGE section in the Booklet.

Eligible Employee means an individual who meets and continues to meet all of the eligibility requirements described in the ELIGIBILITY FOR COVERAGE section of the Booklet and is eligible to enroll as a Covered Employee. An Eligible Employee is not a Covered Employee until actually enrolled and accepted for coverage as a Covered Employee by us.

Enrollment Forms means those forms, electronic or paper, which are approved by us and used to maintain accurate enrollment files under the Policy.

Grace Period means the ten-day period beginning on the date the Premium is due.

Group means the employer, labor union, association, partnership, corporation, department, other organization or entity through which coverage and benefits are issued by us

Note: References to "you" or "your" throughout the first part of the Policy also refer to the Group. References to "you" or "your" in the Booklet refer to Eligible Employees, Eligible Dependents, Covered Employees and/or Covered Dependents depending on the context and intent of the specific provision.

Group Master Policy or **Policy** means the written document which is evidence of the entire agreement between the Group and Florida Blue whereby coverage and benefits are provided to Covered Person. The Policy includes the Booklet, the Schedule of Benefits, the Group Application, Enrollment Forms, and any Endorsements to the Booklet or the Policy.

Premium means the amount required to be paid by the Group to us in order for there to be coverage under the Policy.

Value-Based Program means an outcomes-based payment arrangement and/or a coordinated care model facilitated with one or more local Providers that is evaluated against cost and quality metrics/factors and is reflected in Provider payment.

Waiting Period means the period of time specified on the Group Application, if any, which must be met by an individual before that individual is eligible to enroll for coverage under this Policy.

Term of Policy

This Policy shall become effective as of the Effective Date provided that

1. we accept your Group Application; and
2. you pay the required initial Premium specified by us.

This Policy shall continue in effect until the first Anniversary Date following the Effective Date unless terminated earlier as permitted by its terms. After the initial term, this Policy shall automatically renew each succeeding year on the Anniversary Date for an additional one-year period unless:

1. at least 45 days prior to such Anniversary Date, you notify us that you do not want the Policy to automatically renew; or
2. it is terminated as permitted by its terms.

If this Policy renews as specified above, all of its terms and provisions (including the Premium due) shall govern coverage, as of the Anniversary Date, unless we give written notice of a modification or revision to you at least 45 days prior to the Anniversary Date. In the event we give such written notification, you may elect not to renew this Policy effective as of the Anniversary Date by giving us written notice prior to the Anniversary Date. If you do not give us written notice as required, this Policy shall renew on the Anniversary Date with the modified or revised terms. Nothing in this subsection shall prohibit us from

amending, at the time of renewal, the coverage and/or benefits to be provided by us. We may modify the Premium at any time in accordance with the applicable provisions of this Policy.

Prior Carrier Responsibilities under an Extension of Benefits

Your prior carrier, if any, may be required to provide certain benefits to certain individuals covered by this Policy under an extension of benefits provision. We are not responsible for the payment of any claims which are payable under any extension of benefits provision in the prior carrier's plan.

Commencement of Coverage

Our coverage in accordance with the terms of this Policy begins on the Effective Date (see the ENROLLMENT AND EFFECTIVE DATE OF COVERAGE section in the Booklet). We are not required to pay for health care expenses incurred prior to the Effective Date.

Voluntary Termination by the Group

You may terminate this Policy at any time by giving us at least 45 days prior written notice. Coverage will not be provided on or after such termination date. Nothing in this subsection shall affect a Covered Person's right to an extension of benefits, if applicable, in accordance with the Extension of Benefits subsection in the Booklet.

Conditions of Renewal and Termination

This Policy is conditionally renewable. This means that it automatically renews each year on your Anniversary Date unless terminated earlier in accordance with its terms. We may terminate this Policy or refuse to renew it if:

1. You do not pay Premiums in accordance with its terms or we have not received timely Premium payments.
2. You perform an act, or engage in any practice, that constitutes fraud or make an intentional misrepresentation of material fact.
3. You do not comply with a material provision which relates to rules for Group contributions or Covered Employee participation.

If we decide to terminate or not renew this Policy based on one or more of the circumstances mentioned above, we will give you at least 45 days advance written notice, except in the case of non-payment of Premiums. Refer to the Termination by us for Non-Payment of Premium subsection.

Termination Based On Discontinuation of Form

We may decide to discontinue this form, which means this Policy is terminated, but may do so only if:

1. we cease to offer this form in the large group market in accordance with 627.6571 of the Florida Statutes;
2. we provide notice to all groups having coverage under this form of the discontinuation of this form at least 90 days prior to the date of non-renewal; and
3. we offer to all groups having coverage under this form the option to purchase any other insurance form currently being offered by us in the large group market.

Termination Based on Discontinuation of all Policies in Large Group Market

We may terminate this Policy if we elect to terminate all of the policies we have issued in the large group market in this state. In that case, we will provide notice, at least 180 days prior to the date of

non-renewal, to the Office of Insurance Regulation and to all large groups and each Covered Employee. If we terminate coverage pursuant to this provision, any unused Premium will be returned to you.

Termination by us for Non-payment of Premium

This Policy will automatically terminate as of the applicable Premium due date if we do not receive the Premium payment prior to the end of the Grace Period.

In the event of such termination, you are obligated to pay the following:

1. any portion of the Premium due for coverage provided by us prior to termination;
2. the amount of any payments made by us for health care expenses incurred by persons who were covered under the Policy as of the termination date; and
3. for any amounts otherwise due us.

We will mail a written notification to you within 45 days after the date the Premium is due, that this Policy has terminated. This notification will tell you the reasons for termination.

Notification of Termination to Covered Employees

It is your obligation to immediately notify each Covered Employee of any such termination of this Policy for any reason other than a discontinuation of all Policies in the large group market.

Representations Made by, and Obligations of, the Group

In agreeing to provide coverage in accordance with the terms of this Policy, we rely on the representations you made when you applied for coverage with us and your representation that you have authority to act on behalf of all Covered Persons with respect to the Policy. Consequently, every act by, agreement with, or notice given to you, will be binding on all Covered Persons. You agree that you shall offer to all Eligible Employees the opportunity to become a Covered Employee under this Policy. While you may require a Covered Employee to pay a portion of the Premium due us, you agree that you shall contribute toward the cost of coverage which you purchased.

Effective Date for Eligible Employees

Subject to the eligibility requirements set forth in the ELIGIBILITY FOR COVERAGE section in the Booklet (and any amendments or Endorsements), an Eligible Employee becomes eligible for coverage on the next Premium due date following the satisfaction of any Waiting Period established by you, provided the appropriate Enrollment Form is submitted to us within 30 days of the date the Eligible Employee first meets the applicable eligibility requirements. The designated Waiting Period is shown on the Group Application which you submitted to us.

Your Obligation to Report Contribution Rate and Changes

If one or more of your plans is considered a “grandfathered health plan” as that term is used under the federal law known as the Patient Protection and Affordable Care Act (PPACA), you agree to provide us with the following information regarding each plan:

1. your current contribution rates by tier of coverage;
2. your contribution rates by tier of coverage that were effective on March 23, 2010; and
3. any changes you make to your contribution rates by tier at any time during the term of this Policy.
You must report any such contribution rate change to us with at least 30 days advance written notice.

This information is required by PPACA so that we can verify that you continue to maintain grandfathered status. Remember, any change that results in a reduction in contribution by tier of greater than 5 percentage points will cause a loss in grandfathered health plan status.

Employer agreement to transfer upon termination of grandfathered health plan status

You understand and agree that upon loss of grandfathered health plan status Florida Blue shall, at our sole discretion, either, (1) modify your current health plan to comply with the provisions of PPACA applicable to non-grandfathered health plans; or (2) transfer your health plan to a comparable health plan that is already non-grandfathered. Such modification or transfer shall take place on the date specified by Florida Blue and may include modified rates.

You agree that any action you take that causes a loss in grandfathered health plan status constitutes automatic consent for Florida Blue to modify your coverage or transfer your group health plan to a comparable group health plan, as described in the paragraph above. You further agree to any rate change associated with the change in your coverage as a result of the loss of grandfathered health plan status.

PAYMENT PROVISIONS

Monthly Invoice

We will prepare a monthly invoice of the Premium which is due on or before the due date. This monthly invoice will also reflect any prorated charges and credits resulting from changes in the number of Covered Persons and changes in the types of coverage that took place in the previous or current month.

If you become aware that a Covered Person will become ineligible, you must provide us with written notice of such ineligibility on or before the date that the individual is, or will become, ineligible. If a Covered Person becomes ineligible for coverage for any reason, you are specifically required to provide written notice to us of such ineligibility no later than 10 days after such ineligibility. In the event that you do not comply with the notice requirements, you shall be liable to us for the Premium due for any individual for which we make claims payments under this Policy.

You must pay the total amount of the invoice, minus any deletions for Covered Persons who became ineligible for coverage during the current month. Do not add names to an invoice, change coverage, or pay for an employee whose name does not appear on the invoice. No changes can be made to an invoice unless an applicable signed Enrollment Form is on file and submitted to us.

Other than as specifically set forth in this Policy, we are not obligated to provide coverage or benefits for any individual(s) for whom Premium has not been received by us in advance or to refund Premiums paid on behalf of any individual who was then listed on our Enrollment Records as a Covered Person.

Premium Payment Due Date

The first Premium payment is due before the Effective Date of the Policy. Each following Premium payment is due monthly unless you agree with us on some other method and/or frequency of Premium payment. The Premium is due and payable on or before the first day of each succeeding calendar month to which such payments apply, unless you agree with us to have the 15th day of each month as the Premium payment due date.

Grace Period

This Policy has a ten-day Premium payment Grace Period which begins on the date the Premium payment is due. If we do not receive the required Premium payment on or before the date it is due, it may be paid during this Grace Period. Coverage will stay in force during the Grace Period. If Premium

payments are not received by the end of the Grace Period, coverage will automatically terminate effective as of the applicable due date.

Changes in Premium

We may modify the amount of Premium at any time after the initial term. However, if the benefits or the composition of the Group are changed, we may modify the Rates during the initial 12-month period. We will provide at least 45 days prior written notice to you of any such change. Premium payments submitted to us following receipt of any such written notice of change constitutes your acceptance of any such change. You must immediately notify each Covered Employee of any such change which affects his or her financial contribution requirement.

If an increase in Premium takes place on a date other than the Premium payment due date, a pro-rated increase will be applied from the date of the increase to the next payment due date. If a decrease in Premium takes place on a date other than the Premium payment due date, a pro-rated credit will be applied from the date of the decrease to the next Premium payment due date.

Incorrect Premium Payment

Any Premium adjustment made due to the correction of an error in the Premium payments will be made without interest after the facts are made known to us.

Other Rules Regarding the Payment of Premiums

1. In the event we do not receive Premium payment prior to the applicable due date, we reserve the right to suspend payment of claims for Health Care Services rendered to a Covered Person, on or after the applicable Premium due date.
2. We are not required to retroactively terminate this Policy or coverage for any Covered Person.
3. If full payment of the Premium is not paid when due, this Policy will automatically terminate as of the applicable Premium payment due date, provided notification is sent to you within 45 days after the date the Premium is due.

GENERAL PROVISIONS

Administration

You must provide us with any information we need to administer the coverage and/or benefits to be provided or needed to compute the Premium due. While this coverage is in force, we have the right, at any reasonable time, to examine your records on any issues necessary to verify information provided by you.

Assignment and Delegation

You may not assign, delegate or otherwise transfer this Policy and the obligations hereunder without our written consent. Any assignment, delegation, or transfer made in violation of this provision shall be void. We may assign, delegate or otherwise transfer this Policy to our successor in interest or an affiliated entity without your consent at any time.

Benefit Booklet

We will provide a Benefit Booklet and ID Card for each Covered Employee. The Benefit Booklet will describe the coverage and/or benefits to be provided to Covered Persons by us.

Changes to the Policy

No person may change, modify, or revise the written terms or provisions of this Policy unless such change is made by a written Endorsement signed by one of our duly authorized officers. This is the only manner in which a change may be made to this Policy. For example, no employee or agent of Florida Blue or the Group can change or waive the written terms or provisions of this Policy except as stated in the first sentence of this paragraph.

Enrollment Records

Furnishing and Maintaining Enrollment Records

You must provide any information required by us for the purpose of creating and maintaining accurate enrollment records, processing terminations, and recording changes in family status. In addition, you and each Eligible Employee must submit accurate and complete Enrollment Forms on a timely basis. You are responsible for collecting the Enrollment Forms, reviewing them for accuracy and completeness, and forwarding them to us, along with the applicable Premium payment. All enrollment information which is relevant to the eligibility or coverage status of any individual must be made available to us for inspection and copying upon request.

Errors or Delays

Clerical errors or delays by us in maintaining enrollment records regarding Covered Persons will not invalidate coverage which would otherwise be validly in force, or continue coverage which would otherwise be validly terminated, provided you have furnished us with timely and accurate enrollment information. Errors or delays by you in furnishing accurate enrollment information to us will not affect our right to strictly enforce any and all eligibility requirements. You are liable to us for any claims payments made by us on behalf of any individual who was not eligible for coverage at the time the Health Care Service was rendered.

Entire Agreement

This Policy sets forth the exclusive and entire understanding and agreement between the parties and shall be binding upon all Covered Persons, the parties, and any of their subsidiaries, affiliates, successors, heirs, and permitted assignees. All prior negotiations, agreements, and understandings are superseded hereby. No oral statements, representations, or understanding by any person can change, alter, delete, add or otherwise modify the express written terms of this Policy, which includes the terms of coverage and/or benefits set forth in the Booklet, Schedule of Benefits and any Endorsements.

Financial Responsibilities of the Group

We reserve the right to recover any benefit payments made to or on behalf of any individual whose coverage has been terminated. Our recovery efforts may relate to benefit payments made for Health Care Services rendered subsequent to the Covered Person's termination date and prior to the date notice of coverage termination is required to be made by you. Your cooperation and support of such recovery efforts is required.

In the event that you do not comply with the notice requirements set forth in the Monthly Invoice subsection, you shall be solely liable to us, to the extent of any payment made on behalf of such individual, for Health Care Services rendered subsequent to the date notice of a Covered Person's termination was due.

Grandfathered Health Plan Indemnification

There are certain actions that are solely within your control, as the employer, that can cause a loss in grandfathered health plan status. As such, if you wish to retain grandfathered health plan status, please recognize that we make no representations that your group health plan will retain grandfathered health

plan status where you take unilateral action that may cause a loss in grandfathered health plan status. For example, if you:

1. reduce your contribution percentage by more than 5%;
2. acquire another corporation, or merge another corporation into your health plan solely to add enrollees to your health plans; and/or
3. transfer employees from one health plan to another with no bona fide employment-based reason for the transfer;

You will likely lose your grandfathered health plan status. Since we have no control over the above actions and other such unilateral actions identified in the grandfathering health plan interim final regulations found at 75 FR 34537 (June 17, 2010), as may be amended from time to time, we disclaim all responsibility for compliance with grandfathering health plan rules for such unilateral actions.

You agree to indemnify Florida Blue for any and all penalties and/or fines and costs associated therewith for such unilateral actions taken by you that cause a loss in grandfathered health plan status. We encourage you to read the grandfathering health plan rules and work with your attorney to ensure compliance with such rules.

Indemnification

You shall hold harmless and indemnify Florida Blue against all claims, demands, liabilities, or expenses (including reasonable attorney fees and court costs), which are related to, arise out of, or are in connection with, any of your acts or omissions, or acts or omissions of any of your employees or agents, in the performance of your obligations under this Policy. We are not your agent, nor are you our agent for any purpose.

Medical Loss Ratio Rebates

Federal law requires that Florida Blue return that portion of premiums where Florida Blue's claims and quality improvement costs fall below a specified minimum Medical Loss Ratio (MLR) for the entire large group market. This return of premium is known as a "rebate". MLR is determined by the federal government and sets a minimum percentage of total premiums that must be attributed to claims and quality improvement expenses. This is calculated in accordance with Section 2718 of the Public Health Services Act ("PHSA"), as added by the Patient Protection and Affordable Care Act (the "ACA" or the "Act") and any promulgated regulations. While we make every effort to meet such MLR, there may be times when we will rebate a portion of the Premium amount to you and/or your Covered Employees in accordance with federal law. Currently, such rebates, if any, are payable by the date specified by the federal government of the year following the Calendar Year in which our MLR exceeds the then current federal threshold required by Section 2718 of the Act.

In order to properly rebate that portion of Premiums due under federal law you and/or your Covered Employees agree to the following:

1. You, or your authorized representative (e.g., agent, broker, etc.), shall timely cooperate with us in determining that portion of rebate due you and provide all required information for determining your employer size under federal law. This may require you, or your authorized representative, to complete written or electronic questionnaires and report on amounts you may be required to rebate to Covered Employees under paragraph 3, below. Required information may include, but is not limited to, your employee and former employee addresses, whether Premium contributions are collected pre or post tax, and employee social security numbers.
2. You agree that we have the sole right to determine to whom rebates are due and how such rebates shall be provided, e.g., in the form of future Premium credits, by check, or debit card.
3. You agree that Florida Blue has the sole right to choose to whom the rebate will be paid. As such, we may rebate the entire amount due to you or choose to rebate the entire amount to your Covered

Employees, including your portion of the rebate based upon your contribution toward coverage. Should we choose to rebate the entire amount due to you, you agree to the following:

- a) If the Group Plan is subject to the Employee Retirement Income Security Act of 1972 ("ERISA"), then you will use the rebate in accordance with the terms of your Plan Document as that term is defined in ERISA, and treat the rebated amount as a Plan Asset as that term is defined in ERISA;
 - b) If the Group Plan is not subject to ERISA, you attest, acknowledge and agree that you shall use the rebates for the benefit of the Covered Employees of your Group Plan. You agree to use the rebates in one of the following three ways:
 - i. To reduce subscribers' portion of the annual premium for the subsequent policy year for all subscribers covered under any group health plan offered by the group;
 - ii. To reduce subscribers' portion of the annual premium for the subsequent policy year for only those subscribers covered by the group health plan on which the rebate was based; or
 - iii. To provide a cash refund only to subscribers that were covered by the group health plan on which the rebate is based.
 - c) You shall timely cooperate with any data reporting requirements that we may have for reporting to the federal government the amounts rebated to you and your employees.
4. If we choose to rebate to your Covered Employees directly, you agree that you shall not contest in any formal way, e.g. litigation, our choice to rebate to employees directly. Furthermore, you agree that Florida Blue may, in its sole discretion, choose to treat amounts that may be due you as "unclaimed" as that term is defined under any promulgated regulations related to Section 2718 of the Act. If we choose to treat the amount due as "unclaimed", you shall have the right, at any time prior to escheat to the state, to provide the information in paragraph 1 to allow for proper return of such amounts as required by Section 2718 of the Act.
5. You acknowledge and agree that you, or your authorized representative, shall certify all information as true and correct as may be required by us on any forms provided for provision of the requested information in paragraphs 1 through 4 above.

You recognize and agree that this section shall apply to all rebates returned to you on or after June 1, 2012, regardless of which Calendar Year the rebate reflects.

You recognize that appropriately rebating amounts due you and your employees under this section is both complex and requires significant support from you. Failure to correctly rebate may result in fines and/or other penalties being imposed on us. If we are fined for failure to provide rebates, failure to provide rebates in a timely fashion, or failure to provide the appropriate rebates and such fines and/or penalties result from your failure to comply with the provisions of paragraphs 1 through 4, above, you agree to indemnify Florida Blue for any such fines, penalties, interest or other amounts due, including any additional rebates due as a result of improper rebating based upon information you provided or failed to provide in accordance with this process. You agree to provide such amounts to us in accordance with any required timeframe imposed upon us by the government for such failure.

Membership Provision

As a holder of an insurance policy issued by us, you are a member of our parent company, GuideWell Mutual Holding Corporation ("GuideWell"). As such you have all the rights, privileges, and obligations provided in the Articles of Incorporation and Bylaws of GuideWell as currently in force and as may be amended from time to time, including the right to elect GuideWell's Board of Directors. You will not be able to transfer your membership interest in GuideWell and your membership interest in GuideWell will terminate automatically upon the lapse or termination of your insurance policy. Separate certificates evidencing your membership interests in GuideWell will not be issued.

An annual meeting of the members shall be held for the purpose of electing the Board of Directors and transacting such other business as may be properly brought before the meeting.

At all meetings of our members, each member shall be entitled to cast a number of votes equal to the amount of Premiums attributed to such member in the month immediately preceding the meeting's record date, as determined by us (e.g., a Premium of \$27.36 in that month will be equal to 27.36 votes).

Members may vote in person or by submitting a proxy in accordance with the voting instructions provided by us before the meeting.

Representations on the Group Application and the Enrollment Forms

We rely on the information you and your Eligible Employees provide to determine: whether to issue coverage; the appropriate Rate and financing method; and eligibility for coverage. All such information must be accurate, truthful, and complete. Statements made on the Group Application and the Enrollment Forms are representations and not warranties.

We may cancel, terminate, or void this Policy if the information which you provide is fraudulent, or if you make an intentional misrepresentation.

Rescissions

You represent that any eligibility and status changes you request are compliant with and permissible under applicable state and federal law, including the Patient Protection and Affordable Care Act ("ACA") and subsequent regulations. For example, Section 2712 of the Public Health Services Act ("PHSA"), as added by the ACA prohibits canceling the policy of an employee and/or their dependent(s) for any period during which a Premium was collected from the employee and/or their dependent.

You hereby agree not to collect any Premium from an employee and/or their dependent(s) for a coverage period occurring after the date their policy terminates. When submitting cancellation requests to us, you represent that you have not collected any Premium from the canceled employee(s) and/or their dependent(s) for coverage after the requested termination date.

Reservation of Right to Contract

We reserve the right to contract with any individuals, corporations, associations, partnerships, or other entities, for assistance with the servicing of coverage and/or benefits to be provided by us, or obligations due, under this Policy.

Service Mark

You, on behalf of the Group and its Covered Employees, hereby expressly acknowledge your understanding that the Policy constitutes a contract solely between you and us. We are an independent corporation operating under a license with the Blue Cross and Blue Shield Association, an association of independent Blue Cross and/or Blue Shield Plans (the "Association"), permitting us to use the Blue Cross and Blue Shield Service Mark in the State of Florida and that we are not contracting as the agent of the Association. You further acknowledge and agree that you have not entered into the Policy based upon representations by any person other than us and that no person, entity, or organization other than us shall be held accountable or liable to you for any of our obligations created under the Policy. This paragraph shall not create any additional obligations whatsoever on our part other than those obligations created under other provisions of this Policy.

Summary of Benefits and Coverage

Section 2715 of the Public Health Services Act ("PHSA"), as added by the Patient Protection and Affordable Care Act and any promulgated regulations and guidance ("SBC Rules") require group health plans, group health plan administrators, and health insurers offering group health coverage to provide a Summary of Benefits and Coverage ("SBC"). An SBC must be provided to your employees and their dependents, at the following times, and under the following circumstances:

1. upon application for coverage;
2. by the first day of coverage (if there are changes to the SBC after application);
3. to special enrollees;
4. upon renewal; or
5. upon request for an SBC or summary information about health coverage.

Additionally, when a material modification (as defined under section 102 of ERISA) is made to the terms of a plan or coverage occurring outside a renewal or reissuance that would affect the most recently provided SBC, notice must be provided to each person covered under such plan 60 days in advance of the change.

Florida Blue will provide you or your designated representative or agent with an SBC for each Florida Blue benefit plan you offer, for you to distribute to your Eligible Employees and their dependents in accordance with the following:

1. You agree to provide an SBC to your Eligible Employees and their dependents as required by the SBC Rules, within the required time frames, and in compliance with the delivery rules, including electronic delivery requirements. The SBC Rules only require providing an SBC to dependents if they live at a different address than the employee.
2. You agree to distribute the SBC in the manner and appearance as specified in the SBC Rules. For example, the SBC must be provided either (1) as a stand-alone document; or (2) in combination with other summary materials (such as a Summary Plan Description (SPD)). The SBC must be intact and prominently displayed at the beginning of any other summary materials (such as immediately after the table of contents in an SPD).
3. You agree to provide a complete and accurate SBC with respect to each benefit plan you offer to your Eligible Employees and their dependents. For example, you are responsible for creating an SBC for any benefits not covered by Florida Blue. To the extent the SBC Rules require you to incorporate such information into a single SBC document you are responsible for incorporating all such information into a single SBC and providing it to your Covered Employees and Eligible Employees and their dependents.
4. You agree to provide notice to your Covered Employees and their dependents 60 days prior to a material modification that affects the most recently provided SBC.
5. You agree to retain records related to the delivery of the SBCs and compliance with the SBC Rules. These records must be made available to Florida Blue for inspection and copying upon request.
6. You agree to indemnify and hold Florida Blue harmless from any damages, loss, action, claim or suit, including court costs and attorney fees, arising from, or related to, your failure to provide a complete, accurate and timely SBC to your Covered Employees and Eligible Employees and their dependents in accordance with the SBC Rules.

Third Party Beneficiary

This Policy was entered into solely and specifically for the benefit of Florida Blue and the Group. The terms and provisions of the Policy shall be binding solely upon, and inure solely to the benefit of, Florida Blue and the Group, and no other person shall have any rights, interest or claims under this Policy, including the Benefit Booklet, or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. Florida Blue and the Group hereby specifically express their intent that health care Providers that have not entered into contracts with Florida Blue to participate in Florida Blue's Provider networks shall not be third-party beneficiaries under this Policy, including the Benefit Booklet.

MEDICARE SECONDARY PAYER PROVISIONS

In order to ensure compliance with the applicable Medicare laws, you are required to advise us, without delay, of any Covered Person who will be, or is, covered under Medicare prior to or immediately following the date such Covered Person becomes so covered (e.g., prior to the Covered Person's 65th birthday). Additionally, you are required to advise us, without delay, of the Medicare status of any Medicare beneficiary who applies for coverage, prior to such individual's Effective Date. **You shall indemnify and hold us harmless to the extent of any liability, including attorney fees and costs, that result directly or indirectly from your failure to so advise us.**

In any circumstances under which the Medicare statute requires that Coverage under the Policy be primary for any Covered Person, you MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to such Covered Person. Also, you MAY NOT induce such Covered Person to decline or terminate his or her group health coverage and elect Medicare as primary payer.

Note: You are subject to the federal laws described in this section. Individuals with questions regarding their rights under those laws should direct their questions to you.

Working Elderly

If you employ 20 or more persons for 20 or more weeks of the current or preceding Calendar Year, or if you are a member of a multi-employer group health plan that includes at least one employer with 20 or more employees, this Policy provides primary coverage for employees and/or their spouses, age 65 or older, who are covered under this Policy, pursuant to the following terms:

1. You shall provide us, without delay, the names of employees, age 65 or older:
 - a) who are covered under the Policy;
 - b) who are employed (not retired);
 - c) who have not elected Medicare as primary payer of their health insurance claims; and
 - d) who are not eligible for Medicare due to end stage renal disease (ESRD).
2. You shall provide us, without delay, the names of spouses, age 65 or older, of current employees of any age:
 - a) who are covered under the Policy;
 - b) who have not elected Medicare as primary payer of their health insurance claims; and
 - c) who are not eligible for Medicare due to ESRD.

The names required to be provided as set forth above, along with any other identifying information requested by us, shall be provided to us on or before the 65th birthday of the employee or spouse or on or before such later date when the individual enrolls with us.

3. For an enrolled individual who meets one of the descriptions set out in paragraphs 1 or 2 above, we will provide group health coverage, as set forth in the Booklet, on a primary basis beginning with the first day of the month in which the individual attains age 65 or the date of enrollment, if the individual is 65 or over at the time of enrollment.
4. Individual entitlement to primary coverage under this subsection will terminate automatically:
 - a) for a current employee, age 65 or older, when he or she elects Medicare as the primary payer or when he or she becomes eligible for Medicare due to ESRD;

- b) for the spouse, age 65 or older, of a current employee of any age, when the spouse elects Medicare as the primary payer or when the spouse becomes eligible for Medicare due to ESRD.

You are required to provide us, without delay, the names of any current employees or spouses of such employees, age 65 or older, who choose Medicare as primary payer of their health insurance claims or who become eligible for Medicare due to ESRD.

Under Medicare, you MAY NOT offer, subsidize, procure or provide a Medicare supplement insurance policy to such individual. Also, you MAY NOT induce such individual to decline or terminate his or her group health coverage and elect Medicare as his or her primary payer.

- 5. Entitlement of the employee and/or spouse to primary coverage under this subsection will terminate automatically when:
 - a) the employee retires; or
 - b) the employee no longer meets the employer eligibility requirements.

You are required to notify us, without delay, of the retirement or reduction to a part-time schedule of any employee who has received primary coverage pursuant to this subsection or whose spouse has received primary coverage pursuant to this Working Elderly subsection.

- 6. The primary coverage described in this subsection will not be provided in the case of a group that is a member of a multi-employer group health plan where that group has fewer than 20 employees and the plan has elected treatment of that group's employees under the exception for small employers described at 42 U.S.C. §1395y(b)(1) (A)(iii).

Note: You must immediately report to us changes in the number of employees any time the number of employees goes below or above 20, including pertinent changes in multi-employer group health plans.

Individuals with End Stage Renal Disease

Primary coverage is provided for your current and former employees and/or their dependents who are covered under this Policy and who are entitled to Medicare coverage because of end stage renal disease ("ESRD"), pursuant to the following terms:

- 1. You are required to provide us, without delay, information, including, but not limited to, the following:
 - a) the names of any individuals who are or will be undergoing a regular course of renal dialysis;
 - b) the names of any individuals who will receive or already have received a kidney transplant;
 - c) the beginning date of such dialysis or the date of such transplant;
 - d) the individual's date of birth, gender, and social security number;
 - e) health insurance claim number;
 - f) relationship of each covered individual to the employee (i.e., employee, employee's spouse, or employee's dependent child);
 - g) reason for Medicare entitlement;
 - h) Medicare Part A effective date;
 - i) employee's social security number;
 - j) employee's contract number;
 - k) current employment status;
 - l) coverage Effective Date;
 - m) coverage termination date;
 - n) group number;

- o) benefits provided (i.e., hospital benefits only, medical benefits only, or all other); and,
 - p) type of coverage provided (i.e., self, family, etc.).
2. For an enrolled individual who is entitled to Medicare coverage because of ESRD, we will provide group health coverage, as set forth in the Booklet, on a primary basis for 30 months beginning with the earlier of:
 - a) the month in which the individual became entitled to Medicare Part A ESRD benefits; or
 - b) the first month in which the individual would have been entitled to Medicare Part A ESRD benefits if a timely application had been made.

If Medicare was primary prior to the individual becoming eligible due to ESRD, then Medicare will remain primary (i.e., persons entitled due to disability whose employer has less than 100 employees, retirees and/or their spouses over the age of 65). If group health coverage was primary prior to ESRD entitlement, the Group will remain primary for the ESRD coordination period. For individuals eligible for Medicare due to ESRD, we will provide group health coverage, as set forth in the Booklet, on a primary basis for 30 months.

Under Medicare, you MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to such individual or induce such individual to decline or terminate his or her group health coverage and elect Medicare as his or her primary payer.

Disabled Active Individuals

Florida Blue provides primary coverage to Covered Persons who are covered under this Policy if:

1. you are a part of a health plan that has covered employees of at least one employer of 100 or more full-time or part-time employees on 50% or more of its regular business days during the previous Calendar Year; and
2. the Covered Persons are entitled to Medicare coverage because of disability (unless they have ESRD).

Primary coverage, if any, under this subsection of this Policy is also subject to the following terms:

1. You are required to provide us, without delay, with the names of any Covered Persons covered under this Policy, who are entitled to Medicare coverage because of disability (other than those with ESRD), and who have not elected Medicare as primary payer of their health insurance claims, along with any other identifying information requested.
2. For such Covered Person, we will provide group health coverage, as set forth in the Booklet, on a primary basis during any month in which that individual meets the description set out in paragraph 1 above.
3. Individual entitlement to primary coverage under this subsection will terminate automatically when:
 - a) the individual turns 65 years of age;
 - b) the individual no longer qualifies for Medicare coverage because of disability; or
 - c) the individual elects Medicare as the primary payer; coverage will terminate as of the day of such election.

You are required to notify us, without delay, of the occurrence of any of the above events.

Under Medicare, you MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to such individual or induce such individual to decline or terminate his or her group health coverage and elect Medicare as his or her primary payer.

Entitlement of the Covered Person to primary coverage under this subsection will terminate automatically if the Covered Employee no longer qualifies as such under applicable Medicare regulations and instructions. You shall notify us, without delay, of any such change in status.

Note: You must immediately report to us changes in the number of employees to fewer than 100 employees any time the number of employees goes below or above 100.

Miscellaneous

1. This section shall be subject to, modified if necessary to conform to or comply with, and interpreted with reference to, the requirements of federal statutory and regulatory Medicare Secondary Payer provisions as those provisions relate to Medicare beneficiaries who are covered under this Policy.
2. We will not be liable to you or to any individual covered under this Policy due to any nonpayment of primary benefits resulting from any failure of performance of your obligations as set forth in the Group Medicare Secondary Payer section.
3. If we should elect to make primary payments covering Services rendered to Covered Persons described in this section in a period prior to receipt of the information required by the terms of this section, we may require you to reimburse us for such payments. Alternatively, we may require you to pay the rate differential that resulted from your failure to provide us with the required information in a timely manner.
4. You shall indemnify and hold us harmless to the extent of any liability that we may be charged with on account of improper primary Medicare payments that were made as a result of any failure of performance of your obligations as set forth in this section.

Note: You are subject to the federal laws described in this section. Individuals with questions regarding their rights under those laws should direct their questions to you.

BLUECARD® PROGRAM

Out-of-Area Services Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees, referred to generally as “Inter-Plan Arrangements.” These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever Covered Persons access Health Care Services outside Florida, the claim for those Services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside Florida, Covered Persons obtain care from Providers that have a contractual agreement (“Participating Providers”) with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (“Host Blue”). In some instances, Covered Persons may obtain care from Providers in the Host Blue geographic area that do not have a contractual agreement (“Nonparticipating Providers”) with the Host Blue. We remain responsible for fulfilling our contractual obligations to the Group. Our payment practices in both instances are described below.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

BlueCard Program

The BlueCard Program is an Inter-Plan Arrangement. Under this Arrangement, when Covered Persons access Covered Services within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its Participating Providers. The financial terms of the BlueCard Program are described generally below.

Liability Calculation Method Per Claim

Unless subject to a fixed dollar Copayment, the calculation of the Covered Person’s liability on claims for Covered Services will be based on the lower of the Participating Provider’s billed charges for Covered Services or the negotiated price made available to us by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue’s Provider contracts. The negotiated price made available to us by the Host Blue may be represented by one of the following:

1. **An actual price.** An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or

2. **An estimated price.** An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the Provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, Provider refunds not applied on a claim-specific basis, retrospective settlements and performance-related bonuses or incentives; or
3. **An average price.** An average price is a percentage of billed charges for Covered Services in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its Providers or a similar classification of its Providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

Host Blues determine whether or not they will use an actual, estimated or average price. Host Blues using either an estimated price or an average price may prospectively increase or reduce such prices to correct for over- or underestimation of past prices (i.e., prospective adjustment may mean that a current price reflects additional amounts or credits for claims already paid or anticipated to be paid to Providers or refunds received or anticipated to be received from Providers). However, the BlueCard Program requires that the amount paid by the Covered Person is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims. The method of claims payment by Host Blues is taken into account by us in determining the Group's premiums.

Special Cases: Value-Based Programs

We have included a factor for bulk distributions from Host Blues in the Group's premium for Value-Based Programs when applicable under this Master Policy. Additional information is available upon request.

Return of Overpayments

Recoveries from a Host Blue or its Participating and Nonparticipating Providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, audits, utilization review refunds and unsolicited refunds. Recoveries will be applied so that corrections will be made, in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to us, they will be credited to the Group's account. In some cases, the Host Blue will engage a third party to assist in identification or collection of overpayments. The fees of such a third party may be charged to the Group as a percentage of the recovery.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

In some instances federal or state laws or regulations may impose a surcharge, tax or other fee that applies to insured accounts. If applicable, we will include any such surcharge, tax or other fee in determining the Group's premium.

Nonparticipating Providers Outside Florida

When Covered Services are provided outside of Florida by Nonparticipating Providers, our payment will be based on the Allowed Amount, as defined in the DEFINITIONS section of the Benefit Booklet.

Blue Cross Blue Shield Global® Core Program

If Covered Persons are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: "BlueCard Service Area"), they may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing Covered Services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the BlueCard Service Area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists Covered Persons with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when Covered Persons receive care from Providers outside the BlueCard Service

Area, Covered Persons will typically have to pay the Providers and submit the claims themselves to obtain reimbursement for these Services.

Inpatient Services

In most cases, if Covered Persons contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require Covered Persons to pay for inpatient Covered Services, except for their Cost Share amounts. In such cases, the hospital will submit Covered Person claims to the Blue Cross Blue Shield Global Core Service Center to initiate claims processing. However, if the Covered Person paid in full at the time of Service, the Covered Person must submit a claim to obtain reimbursement for Covered Services. **Covered Persons must notify us of any non-emergency inpatient Services.**

Outpatient Services

For institutional and professional claims, Covered Persons should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the Blue Cross Blue Shield Global Core Service Center address on the form to initiate claims processing. The claim form is available from the Blue Cross Blue Shield Global Core Service Center or online at www.bcbsglobalcore.com. WHAT IS COVERED?

Introduction

This section describes the Health Care Services that are covered under this Booklet. All benefits for Covered Services are subject to: (1) your share of the cost and the benefit maximums listed on your Schedule of Benefits, (2) the applicable Allowed Amount, (3) any limitations and exclusions as well as any other provisions contained in this Booklet, including any Endorsements that are part of your Booklet, and (4) our Medical Necessity guidelines then in effect (see the MEDICAL NECESSITY and BLUEPRINT FOR HEALTH PROGRAMS sections).

Remember that exclusions and limitations also apply to your coverage. Exclusions and limitations that are specific to a type of Service are included with the benefit description in this section. There are other exclusions and limitations listed in the WHAT IS NOT COVERED? section and, in some cases, separate Endorsements that are part of this Booklet. More than one limitation or exclusion may apply to a specific Service or a particular situation.

We will provide coverage for the Health Care Services listed in this section only if they are:

1. authorized in advance by us, if prior coverage authorization is required (see the BLUEPRINT FOR HEALTH PROGRAMS section);
2. within the Covered Services Categories in this section;
3. actually rendered to you (not just recommended) by an appropriately licensed health care Provider who is recognized by us for payment;
4. billed to us on a claim form or itemized statement that lists the procedures and Services rendered to you. Claims and statements should include procedure codes, diagnosis codes and other information we require to process the claim;
5. Medically Necessary, as defined in this Booklet and determined by us in accordance with our Medical Necessity coverage criteria in effect at the time Services are provided or authorized;
6. within our benefit guidelines listed in this section;
7. rendered while your coverage is in force; and
8. not specifically or generally limited or excluded under this Booklet.

We will determine whether Health Care Services are Covered Services under this Booklet after you have obtained them and we have received a claim for them. In some cases we may determine if Services are Covered Services under this Booklet before they are rendered to you. For example, we may determine if a proposed transplant would be a Covered Service under this Booklet before you have the transplant.

We are not obligated to determine if a Service that has not been provided to you will be covered unless we have designated that the Service must be authorized in advance in the BLUEPRINT FOR HEALTH PROGRAMS section. We are also not obligated to cover or pay for any Service that has not actually been rendered to you.

In determining if Health Care Services are Covered Services under this Booklet, no written or verbal representation by any employee or agent of Florida Blue or by any other person shall waive or modify the terms of this Booklet and therefore, neither you, nor the Group, nor any health care Provider or other person should rely on any such written or verbal representation.

Our Benefit Guidelines

In providing benefits for Covered Services, we may apply the benefit guidelines listed below as well as any other applicable payment rules specific to certain types of Services:

1. Our payment is based on our Allowed Amount and not necessarily the Provider's billed charges.
2. Our payment for certain Health Care Services is included within the Allowed Amount for the primary procedure, and we will not pay any additional amounts for any such Services.
3. Our payment is based on the Allowed Amount for the actual Service you received. Payment is not based on:
 - a) a Service which is more complex than the Service you actually received;
 - b) the method used to perform the Service; or
 - c) the day of the week or the time of day the procedure is performed.
4. Some Services that have several components can be described by a single procedure code. In these cases, our payment for such Services includes all components of the Service under that one procedure code. This is also true when a Service is an essential or integral part of the associated therapeutic/diagnostic Service rendered.

Covered Services Categories

Allergy Testing and Treatments

Testing and desensitization therapy (e.g., injections) and the cost of hyposensitization serum may be covered. The Allowed Amount for allergy testing is based upon the type and number of tests performed by the Physician. The Allowed Amount for allergy immunotherapy treatment is based upon the type and number of doses.

Ambulance Services

Ground Ambulance

Ground Ambulance Services for Medical Emergencies and limited non-emergency ground transport may be covered only when:

1. For Medical Emergencies – it is Medically Necessary to transport you from the place a Medical Emergency occurs to the nearest Hospital that can provide the Medically Necessary level of care. If it is determined that the nearest Hospital is unable to provide the Medically Necessary level of care for the Medical Emergency, then coverage for Ambulance Services shall extend to the next nearest Hospital that can provide Medically Necessary care; or
2. For limited non-emergency ground Ambulance transport – it is Medically Necessary to transport you by ground:
 - a) from an Out-of-Network Hospital to the nearest In-Network Hospital that can provide care;
 - b) to the nearest In-Network or Out-of-Network Hospital for a Condition that requires a higher level of care that was not available at the original Hospital;
 - c) to the nearest more cost-effective acute care facility as determined solely by us; or
 - d) from an acute facility to the nearest cost-effective sub-acute setting.

Note: Non-emergency Ambulance transportation meets the definition of Medical Necessity only when the patient's Condition requires treatment at another facility and when another mode of transportation, whether by Ambulance or otherwise (regardless of whether covered by us or not) would endanger the

patient's medical Condition. If another mode of transportation could be used safely and effectively, regardless of time, or mode (e.g. air, ground, water) then Ambulance transportation is not Medically Necessary.

Air and Water Ambulance

Air and water Ambulance coverage is specifically limited to transport due to a Medical Emergency when the patient's destination is an acute care Hospital, and:

1. the pick-up point is not accessible by ground Ambulance, or
2. speed in excess of the ground vehicle is critical for your health or safety.

Air and water Ambulance transport for non-emergency transport is excluded unless it is specifically approved by us in advance of the transport.

Exclusion

1. Ambulance Services for a patient who is legally pronounced dead before the Ambulance is summoned.

 - c) patient is going for a routine Service and is medically able to use another mode of transportation but can't pay for, find and/or prefers not to use such transportation.

Health Care Services provided to you by a Doctor of Medicine (M.D.), Doctor of Osteopathy (D.O.), Hospital, Birth Center, Midwife or Certified Nurse Midwife may be Covered Services, and include:

Physician or Midwife Services provided to you for routine pregnancy, delivery, miscarriage or pregnancy complications. If your plan includes a Copayment for office Services, you will usually only have one Copayment, due on the first visit, for all prenatal care, the delivery and your follow-up visits to your obstetrician or Midwife. This Copayment applies only to Physician or Midwife Services relating to the pregnancy; any visits you have due to illness not related to the pregnancy may require a separate per-visit Copayment.

Hospital or Birth Center Services for labor and delivery of the baby. This includes a physical assessment of the mother and any necessary clinical tests in keeping with prevailing medical standards, newborn assessment and room and board for the mother and routine nursery care. Your Cost Share for these Services is listed on your Schedule of Benefits and is in addition to your Cost Share for the obstetrician or Midwife. You may also choose to deliver your baby at home, in which case, the Hospital or Birth Center Cost Share would not apply.

Routine nursery care for the newborn child during the covered portion of the mother's maternity stay is included under this benefit. However, when an infant requires non-routine treatment during or after the mother's stay, the newborn is considered a patient in his or her own right and will be covered separately only if the newborn is properly enrolled. The newborn's hospital admission in this case is subject to separate Cost Share amounts.

Note: A plan generally may not restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery; or less than 96 hours following a cesarean section. However, this does not prohibit the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 as applicable). In any case a plan can only require that a Provider obtain authorization for prescribing an inpatient Hospital stay that exceeds 48 hours (or 96 hours).

Medical Pharmacy

Prescription Drugs that are provided in a Physician's office may have a separate Cost Share amount that is in addition to the office visit Cost Share amount. The Medical Pharmacy Cost Share amount applies to each Prescription Drug but does not include the cost for the Services of the person who administers the Prescription Drug to you. Allergy injections and immunizations are not part of the Medical Pharmacy benefit.

You or your Physician must contact us to request coverage for a Prescription Drug covered under this category before administering it to you by following the process for prior coverage authorization outlined in the Medication Guide. Prescription Drugs covered under this category may be subject to the utilization review programs described in the PRESCRIPTION DRUG PROGRAM section.

Your plan may also include a maximum amount that you have to pay out-of-pocket for Medical Pharmacy Prescription Drugs you receive each month. If your plan includes a Medical Pharmacy out-of-pocket maximum, it will be listed on your Schedule of Benefits and only applies after you have met your Deductible, if applicable.

Please refer to your Schedule of Benefits for the additional Cost Share amount and/or monthly maximum out-of-pocket applicable to Medical Pharmacy for your plan.

Payment Rules

The amount you must pay for Covered Prescription Drugs and Supplies or Covered OTC Drugs may vary depending on:

1. the participation status of the Pharmacy where purchased (i.e., In-Network Pharmacy versus Out-of-Network Pharmacy);
2. the terms of the Pharmacy's agreement with us or our Pharmacy Benefit Manager;
3. whether you have satisfied any applicable Deductible, and the amount of Copayment or Coinsurance set forth in the Pharmacy Program Schedule of Benefits;
4. the assigned Cost Share tier;
5. whether the OTC Drug is designated in the Medication Guide as a Covered OTC Drug; and

A Brand Name Prescription Drug included on the Preferred Medication List then in effect will be reclassified as a Non-Preferred Prescription Drug on the date the FDA approves a bioequivalent Generic Prescription Drug.

Pharmacy Participation Status

For purposes of the section, there are two types of Pharmacies: In-Network Pharmacies and Out-of-Network Pharmacies.

In-Network Pharmacies

In-Network Pharmacies have agreed not to charge, or collect from you, more than the amount set forth in the Pharmacy Program Schedule of Benefits for each Covered Prescription Drug, Covered Prescription Supply and/or Covered OTC Drug.

To verify if a Pharmacy is an In-Network Pharmacy, you may refer to the provider directory then in effect at www.floridablue.com or call the customer service phone number on your ID Card.

Prior to purchase, you must pay your Cost Share amount as listed in the Pharmacy Program Schedule of Benefits and present your ID Card and the Pharmacy must be able to verify that you are, in fact, covered by us.

When charges for Covered Prescription Drugs and Supplies or Covered OTC Drugs by an In-Network Pharmacy are less than the required Copayment, the amount you pay will depend on the agreement then in effect between the Pharmacy and us or our Pharmacy Benefit Manager, and will be one of the following:

1. The usual and customary charge of such Pharmacy as if it were not an In-Network Pharmacy;
2. The charge under the Pharmacy's agreement with us or our Pharmacy Benefit Manager; or
3. The Copayment, if less than the usual and customary charge of such Pharmacy.

Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional Drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local Pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

Using a Specialty Pharmacy to provide these Specialty Drugs should lower the amount you have to pay for these medications.

Specialty Pharmacies are designated solely by us, as the Pharmacies where you can purchase Specialty Drugs under this Pharmacy Program. Any Pharmacy not designated by us as a Specialty Pharmacy is considered Out-of-Network for Specialty Drugs, even if such Pharmacy is an In-Network Pharmacy for other Covered Prescription Drugs under this Pharmacy Program.

For additional details on how to obtain Covered Prescription Specialty Drugs from a Specialty Pharmacy,

refer to the Medication Guide.

Mail Order Pharmacy

For details on how to order Covered Prescription Drugs and Supplies and Covered OTC Drugs from the Mail Order Pharmacy, refer to the Mail Order Pharmacy Brochure or the Medication Guide.

Note: Specialty Drugs are not available through the Mail Order Pharmacy.

Out-of-Network Pharmacies

Our payment to you for Covered Prescription Drugs and Supplies and Covered OTC Drugs is based upon our Out-of-Network Pharmacy Allowance. Out-of-Network Pharmacies have not agreed to accept our In-Network Pharmacy Allowance or our Pharmacy Benefit Manager's In-Network Pharmacy Allowance as payment in full less any applicable Cost Share amounts due from you.

You may have to pay the full cost of the Covered Prescription Drugs and Supplies and/or Covered OTC Drugs at the time of purchase and submit a claim to us for payment. Our payment for Covered Prescription Drugs and Supplies and Covered OTC Drugs, will be based on the Out-of-Network Pharmacy Allowance less the applicable Cost Share set forth in the Out-of-Network Cost Share column in the Pharmacy Program Schedule of Benefits.

In order to obtain reimbursement for Covered Prescription Drugs and Supplies and/or Covered OTC Drugs purchased at an Out-of-Network Pharmacy, you must obtain an itemized paid receipt and submit it with a properly completed claim form (with any required documentation) to the address on your ID Card.

Pharmacy Utilization Review Programs

Our pharmacy utilization review programs are intended to help educate and encourage the responsible use of Drugs and Supplies. Please review the following information so that you know what you may need to do in order to get the medication you need, without delays at the Pharmacy, and at a lower Cost Share.

We may, in our sole discretion, require that Prescriptions from your Provider for select Prescription Drugs and Supplies or OTC Drugs be reviewed under our pharmacy utilization review programs then in effect, in order for them to be covered. Under these programs, there may be limitations or conditions on coverage for select Prescription Drugs and Supplies and OTC Drugs, depending on the quantity, frequency, or type of Drug or Supply your Provider prescribed.

Note: If coverage is not available through these programs, or is limited, this does not mean that you cannot get the Drug or Supply from the Pharmacy. It only means that we will not cover or pay for the Drug or Supply. You are always free to purchase the Drug or Supply at your sole expense.

Our pharmacy utilization review programs include the following:

Responsible Steps Program

Many medical Conditions have several Drug treatment options that have been approved by the FDA, which means there may be a lower cost Drug that will effectively treat your Condition. Under the responsible steps program, certain Prescription Drugs and OTC Drugs may not be covered unless you have first tried one or more designated Drugs identified in the Medication Guide.

Your Physician must contact us to request coverage for a Prescription Drug that is part of the responsible steps program prior to prescribing the Drug. In order to be covered, we must receive written documentation from your Physician that the designated Drugs in the Medication Guide are not appropriate for you because of a documented allergy, ineffectiveness or side effects.

Responsible Quantity Program

Safety limits apply to certain Drugs based on the drug maker and FDA's guidelines. For example, your Physician may prescribe 12 tablets for a One-Month Supply and the prescribed Drug may have a 9-tablet

limit for a One-Month Supply. Under this program, any Prescription Drug or OTC Drug prescribed in excess of the Maximum specified in the Medication Guide may not be covered. If your Physician prescribes more than the Maximum quantity listed in the Medication Guide, you can either pay for the additional amount yourself or ask your Physician to request an authorization from us.

Prior Authorization Program

Certain Prescription Drugs and Supplies and OTC Drugs require prior authorization from us in order to be covered. **If you do not obtain an authorization when one is required we will deny coverage.** Prescription Drugs and Supplies and OTC Drugs that require prior authorization are identified in the Medication Guide.

If your Provider prescribes a medication for you that requires prior authorization, ask him or her to get an authorization for you before you go to pick it up. When the prior authorization decision has been made, we will let you and your Provider know.

Note: Prior authorizations expire on the earlier of, but not to exceed 12 months:

1. the termination date of your policy, or
2. the period authorized by us, as indicated in the letter you receive from us.

Subject to our review and approval, we may authorize continued coverage of a previously approved Prescription Drug. To request a continuation we must receive appropriate documentation from your Provider. The fact that we may have previously authorized coverage does not guarantee a continued authorization.

Information on our pharmacy utilization review programs is published in the Medication Guide which can be accessed at www.floridablue.com or you may call the customer service phone number on your ID Card. Your Pharmacist may also tell you if a Prescription Drug or OTC Drug requires prior authorization.

Ultimate Responsibility for Medical Decisions

The pharmacy utilization review programs have been established solely to determine whether coverage or benefits for Prescription Drugs, Supplies and OTC Drugs will be provided under the terms of this Booklet. Ultimately the final decision as to whether the Prescription Drug, Supply or OTC Drug should be prescribed must be made by you and the prescribing Physician. Decisions made by us in authorizing coverage are made only to determine whether coverage or benefits are available under this Pharmacy Program and not for the purpose of providing or recommending care or treatment. We reserve the right to modify or terminate these programs at any time.

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for a Prescription Drug, Supply or OTC Drug, must be made solely by you and your treating Physician in accordance with the patient/Physician relationship. It is possible that you or your treating Physician may conclude that a particular Prescription Drug, Supply or OTC Drug is needed, appropriate, or desirable, even though such Prescription Drug, Supply or OTC Drug may not be authorized for coverage by us. In such cases, it is your right and responsibility to decide whether the Prescription Drug, Supply or OTC Drug should be purchased even if we have indicated that we will not pay for such Prescription Drug, Supply or OTC Drug.

It is further provided, however, that if either: (1) a national drug database then used by us makes a "material modification" to its AWP data (as determined by us), or; (2) we elect to utilize a new national drug database, we may modify the 33 percent of AWP figure and/or the 82 percent of AWP figure set out above so that the applicable modified figure sets out a replacement percent figure that is between: (1) the percent figure calculated to approximate the applicable Out-of-Network Pharmacy Allowance in effect immediately prior to the applicable AWP database change, and; (2) the 33 percent of AWP figure or the 82 percent of AWP figure, whichever is applicable.

MEDICAL NECESSITY

In order for Health Care Services to be covered under this Booklet, the Services must meet all of the requirements to be a Covered Service, including being Medically Necessary, as defined by us and defined in this Booklet.

It is important to remember that any time we review Services for Medical Necessity it is solely for the purpose of determining coverage, benefits or payment under the terms of this Booklet and not for the purpose of recommending or providing medical care. When we review for Medical Necessity, we may review specific medical facts or information about you. Any such review, however, is strictly for the purpose of determining, whether the Service provided or proposed meets the definition of Medical Necessity in this Booklet. In applying the definition of Medical Necessity to a specific Service, we may apply our coverage and payment guidelines then in effect.

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical Services, are solely your responsibility and that of your treating Providers. You and your Providers are responsible for deciding what medical care you should have and when that care should be provided. We are solely responsible for determining whether expenses incurred for that medical care are covered under this Booklet. In making coverage decisions, we will not be deemed to participate in or override your decisions concerning your health or the medical decisions of your health care Providers.

The following are a few examples of hospitalization and other Services that are not Medically Necessary:

1. staying in the Hospital because arrangements for discharge have not been completed;
2. use of laboratory, x-ray, or other diagnostic testing that has no clear indication, or is not expected to alter your treatment;
3. staying in the Hospital because supervision in the home, or care in the home is not available or is inconvenient; or being hospitalized for any Service which could have been provided adequately in an alternate setting (e.g., Hospital outpatient department or at home with Home Health Care Services);
or
4. inpatient admissions to a Hospital, Skilled Nursing Facility, or any other facility for the purpose of Custodial Care, convalescent care, or any other Service primarily for the convenience of the patient or his or her family members or a Provider.

Note: Whether or not a Service is specifically listed as an exclusion, the fact that a Provider may prescribe, recommend, approve, or furnish a Service does not mean that the Service is Medically Necessary (as determined by us and defined in this Booklet) or a Covered Service. You are free to obtain a Service even if we deny coverage because the Service is not Medically Necessary; however, you will be solely responsible for paying for the Service. Please refer to the DEFINITIONS section for the definition of "Medically Necessary or Medical Necessity".

YOUR SHARE OF HEALTH CARE EXPENSES

This section explains what your share of the health care expenses may be for Covered Services you receive. Since not all plans include all the different types of Cost Share explained in this section, it is important that you look at your Schedule of Benefits to see your share of the cost for specific Covered Services.

WARNING: LIMITED BENEFITS WILL BE PAID WHEN NONPARTICIPATING PROVIDERS ARE USED. You should be aware that when you elect to utilize the services of a nonparticipating provider for a covered nonemergency service, benefit payments to the provider are not based upon the amount the provider charges. The basis of the payment will be determined according to your policy's out-of-network reimbursement benefit. Nonparticipating providers may bill insureds for any difference in the amount. **YOU MAY BE REQUIRED TO PAY MORE THAN THE COINSURANCE OR COPAYMENT AMOUNT.** Participating providers have agreed to accept discounted payments for services with no additional billing to you other than coinsurance, copayment, and deductible amounts. You may obtain further information about the providers who have contracted with your insurance plan by consulting your insurer's website or contacting your insurer or agent directly.

Deductibles

A deductible is a fixed dollar amount that you must pay before we begin to pay for Covered Services. There are different types of deductibles; some that apply to most Covered Services on your plan and some that apply only to a specific type of Service. Listed below are the different types of deductibles and a brief explanation of how they work. You will need to look at your Schedule of Benefits to find out what types of deductibles (if any) apply to your plan.

Rules for applying charges to deductibles:

- We can only apply charges for claims we actually receive;
- Only charges for Covered Services will be applied; and
- We will only apply the amount of charges up to our Allowed Amount.

Overall Deductible (DED)

This deductible applies to most of the Covered Services on your plan before we begin to pay for Covered Services. When we talk about this type we just call it "Deductible" and on the Schedule of Benefits "DED". Some Covered Services do not apply the Deductible when you use In-Network Providers, so be sure to look at your Schedule of Benefits. After the Deductible has been met, neither you nor your Covered Dependents (if any) will have any additional Deductible amount for the rest of the Benefit Period.

Individual Deductible

If you are the only person on your plan, you only have to reach the individual Deductible and the family Deductible listed on your Schedule of Benefits does not apply to you. This amount, when applicable, must be satisfied by you each Benefit Period before any payment will be made by us.

Family Deductible

If you have one or more family members on your plan, the Deductible can be satisfied by a combination of Covered Persons. The family Deductible is met when any combination of family members meet the Family Deductible amount.

Embedded Deductible

If your Schedule of Benefits indicates that the Deductible is embedded, each Covered Person only needs to satisfy the individual Deductible and not the entire family Deductible, prior to us paying for Covered Services for that Covered Person. We will not begin to pay for Covered Services for the other family members until they either satisfy the individual Deductible or until the family Deductible is met. The family Deductible is met when any combination of family members' costs for Covered Services meets the family Deductible limit. The maximum amount that any one Covered Person in your family can contribute toward the family Deductible is the amount applied toward that person's individual Deductible.

Shared Deductible

If your Schedule of Benefits indicates that the family Deductible is Shared, the entire family Deductible must be met by any one Covered Person or a combination of any or all Covered Persons before we will begin to pay for Covered Services for any Covered Person under your plan.

Per Visit Deductible (PVD)

This is a deductible that applies after any overall Deductible, but only applies to a specific type of Covered Service on your plan before we begin to pay for Covered Services. When we talk about this type we call it "Per Visit Deductible" and on the Schedule of Benefits "PVD". The Per Visit Deductible applies before any other type of Cost Share (except the overall Deductible) and must be paid by you for each visit. Not all plans have a Per Visit Deductible, so be sure to look at your Schedule of Benefits.

Inpatient Per Admission Deductible (PAD)

This is a deductible that applies after any overall Deductible, but only applies to a specific type of Covered Service on your plan before we begin to pay for Covered Services. When we talk about this type we call it "Per Admission Deductible" and on the Schedule of Benefits "PAD". The Per Admission Deductible only applies to an inpatient facility (such as a Hospital), applies before any other type of Cost Share (except the overall Deductible) and must be paid by you for each inpatient admission. Not all plans have a Per Admission Deductible, so be sure to look at your Schedule of Benefits.

Copayments

A Copayment is a fixed dollar amount you must pay when you receive certain Covered Services. Listed below are the different types of Copayments and a brief explanation of how they work. If our Allowed Amount or the Provider's actual charge for a Covered Service rendered is less than the Copayment amount, you may only have to pay the lesser of our Allowed Amount or the Provider's actual charge for the Covered Service. Not all plans have Copayments, so be sure to look at your Schedule of Benefits.

Copayments:

- must be paid at the time you receive the Services;
- apply before any payment will be made by us;
- apply regardless of the reason for the Service; and
- usually apply to all Services rendered during the visit, but there are exceptions to this rule, so be sure to check your Schedule of Benefits and the brief explanations below.

Office Services Copayment

An office Services Copayment applies to each office visit and applies to all Covered Services rendered during that visit, except for Durable Medical Equipment, Medical Pharmacy, Orthotics and Prosthetics, which may require Cost Share amounts in addition to the Copayment.

Inpatient Facility Services Copayment

The inpatient facility Copayment only applies to the inpatient facility (such as a Hospital) and you must pay it for each inpatient admission. Remember that there may be additional Cost Share amounts you will have to pay for Covered Services provided by Physicians and other health care professionals while you are an inpatient.

Outpatient Facility Services Copayment

The outpatient facility Copayment only applies to an outpatient facility and you must pay it for each outpatient visit. Remember that there may be additional Cost Share amounts you will have to pay for Covered Services provided by Physicians and other health care professionals while using these facilities.

Note: Copayments for outpatient facility Services may vary depending on the type of facility chosen and the Services received. Please see your Schedule of Benefits for more information. If your plan includes a Copayment for emergency room Services and you are admitted to the Hospital as an inpatient at the time of the emergency room visit, this Copayment will be waived, and you will pay the Cost Share that applies to inpatient facility Services.

Coinsurance

Coinsurance is a percentage of our Allowed Amount that you must pay before we will pay our portion of the Allowed Amount for Covered Services. The Coinsurance percentage is usually figured after all other Cost Share amounts for a given Service, such as Deductible.

Note: If a particular Covered Service is not available from any In-Network Provider, the Coinsurance percentage that we will base payment on for that Covered Service will not be less than ten (10%) percentage points lower than the Coinsurance percentage we would have based payment on had the Covered Services been available from an In-Network Provider.

For example, if the In-Network Coinsurance for your plan were 80%, the Coinsurance percentage that would be used as a base for Covered Services as described above would be between 70% and 80% of the Allowed Amount. In this example, the Coinsurance percentage used as the basis for payment would not be less than 70% of the Allowed Amount.

Application of Multiple Cost Share Types

When a Service is subject to more than one type of Cost Share, the Schedule of Benefits will list the Cost Share types in the order in which they apply to the Service. For example, when the Schedule shows "\$100 Copay then DED"; this means that the Copay is applied first and then, if you have not reached the Deductible; the Deductible is applied to the remainder of that Service, up to the Allowed Amount. If you have already met the plan Deductible; then only the Copay is applied.

Remember that when you use Out-of-Network Providers, your Cost Share amounts only apply to the Allowed Amount. Any Out-of-Network Provider charges over the Allowed Amount are not covered and do not count towards your Cost Share or Out-of-Pocket Maximums.

Out-of-Pocket Maximums

An out-of-pocket maximum is the Benefit Period limit on Coinsurance amounts that you have to pay for a given Benefit Period for Health Care Services that are Covered Services under this Booklet. After you have paid this dollar amount in Coinsurance, you will have no additional Coinsurance for the rest of that Benefit Period and we will pay 100 percent of our Allowed Amount for Coinsurance only for Covered Services rendered during the rest of that Benefit Period.

Individual Out-of-Pocket Maximum

If you are the only person on your plan, only the individual out-of-pocket maximum applies to you and the family out-of-pocket maximum listed on your Schedule of Benefits does not apply to you. After you have reached the individual out-of-pocket maximum amount listed in your Schedule of Benefits, you will have no additional Coinsurance responsibility for the remainder of that Benefit Period and we will pay 100 percent of the Allowed Amount for Coinsurance only for Covered Services rendered during the remainder of that Benefit Period.

Family Out-of-Pocket Maximum

If you have one or more family members on your plan, the family out-of-pocket maximum can be satisfied by any one Covered Person or a combination of Covered Persons depending on the type of out-of-pocket maximum described below.

Embedded Out-of-Pocket Maximum

If your Schedule of Benefits indicates that the out-of-pocket maximum is embedded, when any one Covered Person meets the individual out-of-pocket maximum, that Covered Person will have no additional Coinsurance for the rest of the Benefit Period. The rest of the family must continue satisfying their out-of-pocket maximum until the family out-of-pocket maximum is met. The maximum amount that any one Covered Person in your family can contribute toward the family out-of-pocket maximum is the amount applied toward that person's individual out-of-pocket maximum.

Shared Out-of-Pocket Maximum

If your Schedule of Benefits indicates that the out-of-pocket maximum is shared, any one Covered Person or a combination of any or all Covered Persons can meet the family out-of-pocket maximum. Once the family out-of-pocket maximum is met, neither you nor your Covered Dependents will have to pay any additional Coinsurance for Covered Services for the rest of the Benefit Period.

Please see your Schedule of Benefits for more information

Note: Out-of-pocket maximums do not include:

1. Deductible;
2. Inpatient Per Admission Deductible;
3. Per Visit Deductible;
4. Copayments (if applicable);
5. benefit penalty reductions;
6. non-covered charges or any charges in excess of the Allowance or Allowed Amount; or
7. if the Group has purchased Prescription Drug coverage and benefits, any Cost Share amounts applicable to Prescription Drugs.

The above Cost Shares do not apply to the out-of-pocket maximums, which means they will not help you reach your out-of-pocket maximums. You will still have to pay these amounts after you reach your out-of-pocket maximums.

How We Will Credit Benefit Maximums

We will only credit the amounts we actually pay for Covered Services to any benefit maximums on your plan. The amounts we pay are based on our Allowed Amount for the Covered Services provided. You will need to look at your Schedule of Benefits to find out if any benefit maximums apply to your plan.

Prior Coverage Credit

Prior Coverage Credit for Deductible

For the initial Benefit Period of coverage under this Policy only, charges credited by the Group's prior insurer, toward your deductible requirement, for Services rendered during the 90-day period immediately preceding the Effective Date of this Policy, will be credited to the Deductible requirement under this Booklet.

Prior Coverage Credit for Coinsurance

Charges credited by the Group's prior insurer, toward your Coinsurance maximum, for Services rendered during the 90-day period immediately preceding the Effective Date of the Policy, will be credited to your out-of-pocket maximum under this Booklet.

Prior coverage credit toward the Deductible or out-of-pocket maximums will only be given for Health Care Services, which would have been Covered Services under this Booklet.

Prior coverage credit under this Booklet only applies at the initial enrollment of the entire Group. You and/or the Group are responsible for providing us with any information necessary for us to apply this prior coverage credit.

Calculation of Cost Share

You can get an estimate on our website at www.floridablue.com, of the Cost Share amount you will have to pay for certain Covered Services, as required under section 627.6385 of the Florida Statutes.

Additional Expenses You Must Pay

In addition to your share of the expenses described above, you are also responsible for:

1. charges in excess of any maximum benefit limitation listed in your Schedule of Benefits;
2. expenses for claims denied because we did not receive information requested from you regarding whether or not you have other coverage and the details of such coverage;
3. charges in excess of the Allowed Amount for Covered Services rendered by Providers who have not agreed to accept our Allowed Amount as payment in full;
4. any benefit reductions/benefit penalties;
5. charges for Health Care Services which are non-Covered Services or excluded; and
6. any premium amounts required by the Group.

Special Payment Rules

Emergency Services in an Emergency Room

Payment for Emergency Services rendered by an Out-of-Network Provider that has not entered into an agreement with us to provide access to a discount from the billed amount of that Provider will comply with the provisions of section 627.64194(4) of the Florida Statutes, if section 627.64194(2) of the Florida Statutes is applicable to the Services rendered.

Additionally, payments for Emergency Services by an Out-of-Network Provider will comply with any applicable federal law.

Non-Emergency Services

Payment for Services rendered by an Out-of-Network Provider will comply with section 627.64194(4) of the Florida Statutes when:

- such Services are rendered in an In-Network Ambulatory Surgical Center, Hospital, mobile surgical facility or Urgent Care Center; and
- you do not have the ability and opportunity to choose an In-Network Provider at the In-Network Ambulatory Surgical Center, Hospital, mobile surgical facility or Urgent Care Center who is available to treat you; and,
- section 627.64194(3) of the Florida Statutes is applicable to the Services rendered.

In no event, subject to this Special Payment Rules subsection, will Out-of-Network Providers be paid more than their charges for the Services rendered.

HEALTH CARE PROVIDER OPTIONS

Introduction

It is important that you understand how the Providers you choose to use for medical care and the type of Service you receive will affect how much you have to pay for medical Services. This section explains payment rules when receiving Covered Services from different types of Providers under this Booklet. This section does not include the specific Cost Share amounts under your plan; as you read this section, please keep in mind that you will have to check your Schedule of Benefits for those details. For information on Pharmacy Provider options, please refer to the PRESCRIPTION DRUG PROGRAM section.

Provider Participation Status

In order to help control health care costs, we have entered into contracts with certain Providers to participate in our Preferred Patient Care Program (herein “PPC”), one of our preferred provider networks. We have also entered into contracts with certain Providers to participate in our Traditional Program. We negotiate with these Providers to establish maximum allowances and payment rules for Covered Services as one way to control health care costs. The allowances we establish are called our Allowed Amounts. The amount you are responsible for paying out-of-pocket for a particular Covered Service is based on our Allowed Amount for that Covered Service.

In-Network Providers

With BlueChoice, you may choose to receive Services from any Provider. However, you will be able to lower the amount you have to pay for Covered Services by receiving care from an In-Network Provider. PPC Providers are the In-Network Providers under this Booklet. You should use In-Network Providers whenever possible to reduce your out-of-pocket expenses. Using In-Network Providers will result in significant savings. In-Network Providers will also file their claims for you and payment will be made directly to the Provider.

Remember that using In-Network Providers will result in lower Cost Share for you. You should always check to see whether a Provider is In-Network or Out-of-Network before you receive Services to find out how much of the cost you will have to pay.

Primary Care Physician Program

We encourage you to select and develop a relationship with an In-Network Primary Care Physician. There are several advantages to selecting a Primary Care Physician. (Family Practitioners, General Practitioners, Internal Medicine doctors and Pediatricians):

- Primary Care Physicians are trained to provide a broad range of medical care and can be a valuable resource to coordinate your overall health care needs.
- Developing and continuing a relationship with a Primary Care Physician allows the Physician to become knowledgeable about you and your family’s health history.
- A Primary Care Physician can help you determine when you need to visit a specialist and also help you find one based on their knowledge of you and your specific health care needs.
- Care rendered by Primary Care Physicians usually results in lower Cost Share for you.

We will check our records periodically to see if you have visited a Primary Care Physician. If not, we may provide your name and contact information to an In-Network Primary Care Physician who will call you and offer to schedule a wellness visit. This program is completely voluntary and although we encourage you to schedule this visit, you are not obligated to do so. The applicable Primary Care Physician Cost Share will apply to this visit.

You are responsible for checking to see if a Provider is In-Network for your plan prior to receiving Services. To find out if a Provider is In-Network, refer to the current Provider directory at www.floridablue.com or call the customer service phone number on your ID Card.

Out-of-Network Providers

When you use Out-of-Network Providers your Cost Share for Covered Services will be higher. We will base our payment on the Allowed Amount at the Coinsurance percentage listed in the Schedule of Benefits. Further, if the Out-of-Network Provider is a Traditional Program Provider or a BlueCard Traditional Program Provider, our payment to such Provider may be under the terms of that Provider's contract. If the BlueChoice Provider directory does not include a Provider as In-Network under your benefit plan, the Provider is considered Out-of-Network.

You are entitled to Traditional Program type benefits at the point of service when you receive Covered Services from Traditional Program Providers or BlueCard Traditional Program Providers, in conformity with the BLUECARD PROGRAM section.

When you use Out-of-Network Providers, you may have to pay the Provider in full and then file claims to us for reimbursement. You are responsible for paying the difference between what we pay and the Provider's charge.

Provider Financial Incentive Disclosure

Health care decisions are the shared responsibility of you, your family, and your health care Providers. A Provider's decisions regarding Health Care Services may have a financial impact on you and/or the Provider. For example a Provider in his or her contract with us may agree to accept financial responsibility for your Health Care Services. We encourage you to talk to your Providers about how, and to what extent, the acceptance of financial risk by the Provider may affect his or her Health Care Service decisions.

Location of Service

The location or setting where you receive Services can also affect the amount you pay. For example, the amount you must pay will vary whether you receive Services in a Hospital, a Provider's office, or an Ambulatory Surgical Center. After you and your Physician have determined the plan of treatment most appropriate for your care, you should refer to the WHAT IS COVERED? section and your Schedule of Benefits to find out if the Services are covered and how much you will have to pay. You should also consult with your Physician to determine the most appropriate setting based on your health care and financial needs.

Physicians

When you receive Covered Services from a Physician, several factors will determine your Cost Share, including whether the Physician is In-Network or Out-of-Network, the location of Service, the type of Service rendered, whether the Physician participates in certain Florida Blue programs, and the Physician's specialty (as determined by us).

Value Choice Providers

Some Providers, designated by us, may provide Services other than advanced imaging, maternity and Medical Pharmacy at a lower Cost Share. The Deductible will be waived for these Services and are available at no Cost Share to you when they are rendered in the Value Choice Provider's office. To find a Value Choice Provider, access the most recent provider directory at www.floridablue.com and look for Providers with "Value Choice Providers" under "Programs". Advanced imaging, maternity and Medical Pharmacy Services will remain at the Cost Share listed on your Schedule of Benefits.

Some Urgent Care Centers, designated by us, may provide Services at a lower Cost Share. The Deductible will be waived for these Services and are available no Cost Share for the first two visits. After the first two visits, the urgent care Cost Share listed on your Schedule of Benefits will apply. To find a Value Choice Urgent Care Center access the most recent provider directory at www.floridablue.com and

look for Providers with “Value Choice Providers” under “Programs”.

Hospitals

Each time you receive inpatient or outpatient Covered Services at a Hospital, in addition to any Cost Share for Physician Services, you will have to pay the Cost Share related to Hospital Services.

Since not all Physicians admit patients to every Hospital, it is important when choosing a Physician that you find out the Hospitals where your Physician has admitting privileges. You can find out what Hospitals your Physician admits to by contacting the Physician’s office. This information will help you figure out what your Cost Share may be in the event you are hospitalized.

Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

Using the Specialty Pharmacy to provide these Specialty Drugs should lower the amount you have to pay for these medications. Please refer to the Medication Guide for a list of Specialty Pharmacies.

Other Providers

With BlueChoice you have access to other Providers in addition to the ones described in this section. Other Providers include facilities that provide alternative outpatient settings or other persons and entities that specialize in specific Services. While these Providers may be recognized for payment, they may not be In-Network Providers for your plan. Also, all of the Services that are within the scope of certain Providers' licenses may not be Covered Services under this Booklet. Please refer to the WHAT IS COVERED? and WHAT IS NOT COVERED? sections of this Booklet and your Schedule of Benefits to find out what your Cost Share may be for Covered Services rendered by these Providers.

You may be able to receive certain outpatient Services at a location other than a Hospital. Your Cost Share for Services rendered at some alternative facilities is generally less than if you had received those same Services at a Hospital.

Assignment of Benefits to Providers

Except as set forth in the last paragraph of this section, we will not honor any of the following assignments, or attempted assignments, by you to any Provider, including, and without limitation, any of the following:

1. an assignment of the benefits due you under this Booklet;
2. an assignment of the right to receive payments due under this Booklet; or
3. an assignment of a claim for damage resulting from a breach, or an alleged breach, of any promise or obligation set forth in this Booklet, or any promise or obligation set forth in any contract, plan, or policy.

We specifically reserve the right to honor an assignment of benefits or payment by you to a Provider who: (1) is an In-Network Provider under your plan of coverage; (2) is a PPC Provider; (3) is a Traditional Program Provider; (4) is a BlueCard PPO Program Provider; (5) is a BlueCard Traditional Program Provider; or (6) when applicable honor an assignment of your right to receive payment for Covered Services to an Out-of-Network Provider in accordance with Section 627.638(2) Florida Statutes or other applicable statute then in effect. A written attestation of the assignment of benefits may be required.

BLUECARD® PROGRAM

Out-of-Area Services

Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called “Inter-Plan Arrangements.” These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever you access Health Care Services outside Florida, the claim for those Services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of Florida, you will receive it from one of two kinds of Providers. Most Providers (“Participating Providers”) contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area (“Host Blue”). Some Providers (“Nonparticipating Providers”) don’t contract with the Host Blue. We explain below how we pay both kinds of Providers.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

BlueCard Program

Under the BlueCard Program, when you receive Covered Services within the geographic area served by a Host Blue, we will remain responsible for fulfilling its contractual obligations to you. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

When you receive Covered Services outside of Florida and the claim is processed through the BlueCard Program, the amount you pay for Covered Services is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to us

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to the Provider. Sometimes, it is an estimated price that takes into account special arrangements with your Provider or Provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we have used for your claim because they will not be applied after a claim has already been paid.

Special Cases: Value-Based Programs

If you receive Covered Services under a Value-Based Program inside a Host Blue’s service area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees

that are a part of such an arrangement, except when a Host Blue passes these fees to us through average pricing or fee schedule adjustments. Additional information is available upon request.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to your accounts. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

Nonparticipating Providers Outside Florida

When Covered Services are provided outside of Florida by Nonparticipating Providers, our payment will be based on the Allowance or Allowed Amount, as defined in the DEFINITIONS section of the Benefit Booklet.

Blue Cross Blue Shield Global® Core Program

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter “BlueCard Service Area”), they may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing Covered Services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the BlueCard Service Area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists you with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard Service Area, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for these Services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard Service Area, you should call the Blue Cross Blue Shield Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

Inpatient Services

In most cases, if you contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require you to pay for inpatient Covered Services, except for your Cost Share amounts. In such cases, the hospital will submit your claims to the Blue Cross Blue Shield Global Core Service Center to begin claims processing. However, if you paid in full at the time of Service, you must submit a claim to receive reimbursement for Covered Services. **You must notify us of any non-emergency inpatient Services.**

Outpatient Services

Physicians, Urgent Care Centers and other outpatient Providers located outside the BlueCard Service Area will typically require you to pay in full at the time of Service. You must submit a claim to obtain reimbursement for Covered Services.

Submitting a Blue Cross Blue Shield Global Core Claim

When you pay for Covered Services outside the BlueCard Service Area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the Provider’s itemized bill(s) to the Blue Cross Blue Shield Global Core Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the Blue Cross Blue Shield Global Core Service Center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the Blue

Cross Blue Shield Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

BLUEPRINT FOR HEALTH PROGRAMS

Introduction

We have established (and from time to time establish) various customer-focused health education and information programs and benefit utilization management and utilization review programs. We call all these programs Blueprint for Health Programs. The Blueprint for Health Programs are designed to: (1) provide you with information that will help you make more informed decisions about your health; (2) help us facilitate the management and review of coverage and benefits provided under our policies; and (3) present opportunities, as explained below, for you and us to agree upon alternative benefits or payments for cost-effective medically appropriate Health Care Services.

Admission Notification

Our admission notification rules vary depending on whether you are admitted to a Hospital, Psychiatric, Substance Abuse or Long Term Acute Care (LTAC) Facility which is In-Network or Out-of-Network.

To find out if a Provider is in our network, refer to the current BlueChoice Provider directory on our website at www.floridablue.com or call the customer service phone number on your ID Card.

In-Network

We must be notified of all inpatient admissions (i.e., elective, planned, urgent or emergency) to In-Network Hospital, Psychiatric, Substance Abuse and LTAC Facilities. In-Network Providers located in Florida have agreed to notify us of your admission; however, you should ask the facility if we have been notified of your admission. For an admission outside Florida, you or the facility should notify us of the admission. Making sure that we are notified of your admission will enable us to provide you information about the Blueprint for Health Programs available to you. You or the facility may notify us of your admission by calling the customer service phone number on your ID Card.

Out-of-Network

For admissions to an Out-of-Network Hospital, Psychiatric, Substance Abuse or LTAC Facility, you or the facility should notify us of the admission. Notifying us of your admission will enable us to provide you information about the Blueprint for Health Programs available to you. You or the facility may notify us of your admission by calling the customer service phone number on your ID Card.

Inpatient Facility Program

We may review Hospital stays, Hospice, LTAC and Skilled Nursing Facility (SNF) Services, and other Health Care Services rendered during the course of an inpatient stay or treatment program. We may conduct this review while you are inpatient, after your discharge, or as part of a review of an episode of care when you are transferred from one level of inpatient care to another for ongoing treatment. The review is conducted solely to determine whether a particular admission or Health Care Services rendered during that admission are covered under this Booklet. Using our established criteria then in effect, a concurrent review of the inpatient stay may occur at regular intervals, including before a transfer from one inpatient facility to another. We will let your Physician know when inpatient coverage criteria are no longer met. As a part of this program, we may review specific medical facts or information and assess, among other things, the appropriateness of the Services being rendered, health care setting and/or the level of care of an inpatient admission or other health care treatment program. Any such reviews by us, and any reviews or assessments of specific medical facts or information which we conduct, are solely for purposes of making coverage or payment decisions under this Benefit Booklet and not for the purpose of recommending or providing medical care.

In anticipation of your needs following an inpatient stay, we may provide you and your Physician with information about other Blueprint for Health Programs which may be beneficial to you, and help you and your Physician identify health care resources which may be available in your community. Upon request,

we will answer questions your Physician has regarding your coverage or benefits following discharge from the Hospital.

Prior Coverage Authorization/ Pre-Service Notification Programs

It is important for you to understand our prior coverage authorization programs and how the Provider you select and the type of Service you receive affects these requirements and ultimately how much you will have to pay under this Booklet.

You or your Physician will be required to obtain prior coverage authorization from us for:

1. **Prescription Drugs**, as denoted with a special symbol in the Medication Guide;
2. **advanced diagnostic imaging Services**, such as CT scans, MRIs, MRA and nuclear imaging;
3. **Applied Behavioral Analysis** for Autism Spectrum Disorder or Down Syndrome; and
4. **other Health Care Services** that are or may become subject to a prior coverage authorization program or a pre-service notification program as defined and administered by us.

You are solely responsible for getting any required authorization before Services are rendered regardless of whether the Service is being rendered by an In-Network Provider or Out-of-Network Provider.

1. In the case of **Prescription Drugs**, it is your sole responsibility to obtain prior coverage authorization before the drug is purchased or administered. **If you do not obtain prior coverage authorization, we will deny coverage for the Prescription Drug and not make any payment for the drug or any Service related to the drug or its administration.**

All Prescription Drugs covered under the Medical Pharmacy category in the WHAT IS COVERED? section, require prior authorization. For a list of other medications that require prior coverage authorization and details on how to get an authorization, please refer to the Medication Guide.

2. In the case of **advanced diagnostic imaging Services** such as CT scans, MRIs, MRA and nuclear imaging, you must obtain authorization **before** the advanced diagnostic imaging Services are provided. **If you do not obtain prior coverage authorization we will deny coverage for such Services and not make any payment for such Services.**

For details on how to obtain prior coverage authorization for advanced diagnostic imaging Services, please call the customer service phone number on the back of your ID Card.

3. In the case of **Applied Behavioral Analysis** for Autism Spectrum Disorder or Down Syndrome, you must obtain an authorization **before** the Services are provided. **If you do not obtain prior coverage authorization we will not make any payment for such Services.**

For details on how to obtain prior coverage authorization for Mental Health Services, please call the customer service phone number on the Insured's ID Card.

4. In the case of **other Health Care Services** under a prior coverage authorization or pre-service notification program, you must obtain an authorization or comply with any pre-service notification requirements, **before** the Services are provided.

We will inform you of any Health Care Service that is or will become subject to a prior coverage authorization or pre-service notification program, including how you can obtain prior coverage authorization and/or provide the pre-service notification for such Service. This information will be provided to you upon enrollment, or at least 30 days prior to such Services becoming subject to a prior coverage authorization or pre-service notification program. Such information may be provided to you electronically, if you have elected the delivery of notifications from us in that manner. Changes to the list of other Health Care Services that require prior authorization shall occur no more frequently than twice in a Calendar Year.

Once the necessary medical documentation has been received from you and/or the Provider, Florida Blue or a designated vendor, will review the information and make a prior coverage authorization decision,

based on our established criteria then in effect. You will be notified of the prior coverage authorization decision.

Note:

1. Prior coverage authorization is not required when Services are rendered for the treatment of a Medical Emergency.
2. Prior coverage authorizations expire on the earlier of, but not to exceed 12 months:
 - a) the termination date of your policy, or
 - b) the period authorized by us, as indicated in the letter you receive from us.

Subject to our review and approval, we may authorize continued coverage of a previously approved Service. To request a continuation we must receive appropriate documentation from your Provider. The fact that we may have previously authorized coverage does not guarantee a continued authorization.

See the CLAIMS PROCESSING section for information on what you can do if prior coverage authorization is denied.

Member Focused Programs

The Blueprint for Health Programs may include voluntary programs for certain members. These programs may address health promotion, prevention and early detection of disease, chronic illness management programs, case management programs and other member focused programs.

Personal Case Management Program

The personal case management program focuses primarily on members who suffer from a catastrophic illness or injury. In the event you meet our case management guidelines, we may, in our sole discretion, assign a Personal Case Manager to you to help you coordinate coverage, benefits, or payment for Health Care Services you receive. Your participation in this program is completely voluntary.

Under the personal case management program, we may elect to offer alternative benefits or payment for cost-effective Health Care Services. These alternative benefits or payments may be made available by us on a case-by-case basis when you meet our case management criteria then in effect. Such alternative benefits or payments, if any, will be made available in accordance with a treatment plan with which you, or your representative, and your Physician agree to in writing.

The fact that we have paid or may offer to pay for certain Health Care Services under the personal case management program, in no way obligates us to continue to provide or pay for the same or similar Services. Nothing contained in this section shall be deemed a waiver of our right to enforce this Benefit Booklet in strict accordance with its terms. The terms of this Booklet will continue to apply, except as specifically modified in writing by us in accordance with the personal case management program rules then in effect.

Health Information, Promotion, Prevention and Illness Management Programs

These Blueprint for Health Programs may include health information that supports member education and choices for health care issues. These programs focus on keeping you well, help to identify early preventive measures of treatment and help members with chronic problems to enjoy lives that are as productive and healthy as possible. These programs may include illness management programs for Conditions such as diabetes, cancer and heart disease. The programs are voluntary and are designed to enhance your ability to make informed choices and decisions for your unique health care needs. You may call the customer service phone number on your ID Card for more information. Your participation in these programs is completely voluntary.

IMPORTANT INFORMATION RELATING TO OUR BLUEPRINT FOR HEALTH PROGRAMS

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical Services, are solely your responsibility and the responsibility of your health care Providers. You and your Providers are responsible for deciding what medical care should be rendered or received, and when and how that care should be provided. We are solely responsible for determining whether expenses, which have been or will be incurred for medical care are, or will be, covered under this Booklet. In fulfilling this responsibility, we will not be deemed to participate in or override the medical decisions of your health care Provider.

You or your Provider may request that we review a Blueprint for Health Program coverage or payment decision, provided such a request is received by us, in writing, within 90 days of the date of the decision. The review request must include all information deemed relevant or necessary by us. We will review the decision in light of such information and notify you or your representative and the Provider of the review decision.

Please note that we reserve the right to discontinue or modify the Hospital admission notification requirement and any Blueprint for Health Program at any time without your consent.

ELIGIBILITY FOR COVERAGE

Each employee or other individual who is eligible to participate in the Group Plan, and who meets and continues to meet the eligibility requirements described in this Booklet, shall be entitled to apply for coverage with us. These eligibility rules are binding upon you and the Group. No changes in our eligibility rules will be permitted unless we have been notified of and have agreed in writing to any such change in advance. We may require acceptable documentation that an individual meets and continues to meet the eligibility requirements such as a court order naming the Covered Employee as the legal guardian or appropriate Adoption documentation described in the ENROLLMENT AND EFFECTIVE DATE OF COVERAGE section.

2. the employee's job must fall within a job classification identified on the Group Application.
3. complete any applicable Waiting Period identified on the Group Application; and
4. meet any additional eligibility requirements identified on the Group Application.

The Covered Employee's natural, newborn, Adopted, foster, or step child(ren) (or a child for whom the Covered Employee has been court-appointed as legal guardian or legal custodian) who has not reached the end of the Calendar Year in which he or she reaches age 30 regardless of the dependent child's student or marital status, financial dependency on the covered parent, whether the dependent child resides with the covered parent, or whether the dependent child is eligible for or enrolled in any other health plan.
3. The newborn child of a Covered Dependent child. Coverage for such newborn child will automatically terminate 18 months after the birth of the newborn child.

Note: You are solely responsible, as the Covered Employee, to establish that a child meets the eligibility rules. Eligibility will end when the child no longer meets the eligibility rules required to be an Eligible Dependent described above.

Children with Disabilities

In the case of a dependent child with an intellectual or physical disability, such child is eligible to continue coverage as a Covered Dependent, beyond the age of 30, if the child is:

2. incapable of self-sustaining employment by reason of intellectual or physical disability; and
3. chiefly dependent upon the Covered Employee for support and maintenance provided that the symptoms or causes of the child's intellectual or physical disability existed prior to the child's 30th birthday.

Upon our request, the Covered Employee shall provide proof, which is acceptable to us, of a Covered Dependent's continuing eligibility for coverage.
4. If the Group offers an alternative health benefits plan for Medicare eligibles or retirees, and an individual elects to be covered under such plan, then such individual shall not be eligible for coverage under this Policy.

1. You may apply for coverage by completing an Enrollment Form and submitting it to the Group.
2. All factual representations on the Enrollment Forms must be accurate and complete. 1. complete the Enrollment Form and submit it to the Group;
2. provide any other information we may need to determine eligibility, at our request;
3. agree to pay your portion of the required Premium; and

Employee / Child(ren)	the Eligible Employee and children only
Employee / Family	the Eligible Employee, spouse and children

There may be an additional Premium charge for each Covered Dependent based on the coverage selected by the Group.

Enrollment Periods

There are only certain times during the year that you can enroll for coverage; these enrollment periods are as follows:

Initial Enrollment Period: this is the period of time when you are first eligible to enroll. It starts on the date you are first eligible and ends no less than 30 days later. This time can be when the Group first starts its Plan with us, or when an employee first becomes eligible for coverage under the Plan.

Annual Open Enrollment Period: this is the period of time (usually 30 days) when you have an opportunity to select coverage from the alternatives your Group offers in its health benefit program. This period takes place every year prior to the Anniversary Date.

Special Enrollment Period: this is the 30-day period of time immediately following a special event such as getting a new dependent or losing other coverage. During this time you may apply for coverage because of the special event. Special events are described in the Special Enrollment Period subsection.

Initial Enrollment Period

1. If you are an Eligible Employee when the Group first obtains coverage with us; you must enroll (yourself and any Eligible Dependents) during the Initial Enrollment Period in order to become covered as of the Effective Date of the Group. In this case, the Effective Date of coverage for you and the dependents you enroll will be the same as the Group.
2. If you become an Eligible Employee after the Group has coverage with us (for example, newly-hired employees) you must enroll (yourself and any Eligible Dependents) before or within the Initial Enrollment Period and your Effective Date of coverage will begin on the date specified on the Group Application.

Annual Open Enrollment Period

If you did not apply for coverage during the Initial Enrollment Period or a Special Enrollment Period you may apply for coverage by completing an Enrollment Form during an Annual Open Enrollment Period. Your Effective Date of coverage will be the first billing date following the Annual Open Enrollment Period, or the date specified by the Group.

If you do not enroll or change your coverage selection during the Annual Open Enrollment Period, you must wait until the next Annual Open Enrollment Period to make any changes, unless a special event, as outlined in the Special Enrollment Period subsection occurs.

Special Enrollment Period

You may apply for coverage outside of the Initial Enrollment Period and Annual Enrollment Period as a result of a special enrollment event. To apply for coverage, you must complete an Enrollment Form and submit it to the Group within the time periods noted below for each special enrollment event.

If you declined coverage when it was first offered under this Group Plan and you stated in writing, that coverage under another group health plan or health insurance coverage was the reason for declining enrollment, you may apply for coverage if one of the following special enrollment events occurs and you complete an Enrollment Form and submit it to the Group within time periods indicated in the chart that follows.

Special Enrollment Events

Loss of Coverage under...	Caused by...	Enrollment Form due to Group within...
a group health plan or COBRA	<ul style="list-style-type: none"> • Exhaustion of COBRA • termination of employment • reduction in the number of hours you work • reaching or exceeding the lifetime maximum of all benefits under other health coverage • the employer stopped offering group health coverage • death of your spouse • divorce or legal separation • employer contributions toward such coverage are terminated 	30 days of the date coverage was terminated
a Children's Health Insurance Program (CHIP) or Medicaid	<ul style="list-style-type: none"> • loss of eligibility for such coverage • becoming eligible for the optional state premium assistance program 	60 days of the date coverage was terminated
Adding Coverage...	<ul style="list-style-type: none"> • your marriage • your getting a new dependent through birth, Adoption or placement in anticipation of Adoption 	30 days of the date of the event

Your Effective Date of coverage will be the date of the special enrollment event. If you do not enroll or change your coverage during the Special Enrollment Period you must wait until the next Annual Open Enrollment Period.

Note: Loss of coverage for failure to pay your portion of the required Premium on a timely basis or for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the prior health coverage) is not a qualifying event for special enrollment.

Dependent Enrollment

An individual may be added upon becoming an Eligible Dependent of a Covered Employee. Below are special rules for certain Eligible Dependents.

Newborn Child – To enroll a newborn child who is an Eligible Dependent, the Covered Employee must complete an Enrollment Form and submit it to the Group. The Effective Date of coverage for a newborn child is usually the date of birth as long as you have enrolled the newborn child in time (as indicated below). . We must be notified, in writing, when you are adding a newborn and the rules for Effective Date and Premiums charged for the newborn vary depending on when we receive this written notification. The chart below indicates these differences:

Newborn Enrollment

If we receive written notice within...	the Effective Date of the newborn will be...	Premium for the newborn child...
30 days after the date of birth	the date of birth	will not be charged for the first 30 days
31 to 60 days after the date of birth	the date of birth	will be charged from the date of birth
61 or more days* after the date of birth	the date of birth	will be charged from the date of birth

*This applies only if the Group **has not had** an Annual Open Enrollment Period since the baby was born. If we receive the written notice more than 60 days after the birth of the newborn child, and your Group **has had** an Open Enrollment Period since the birth of the newborn, the child may not be added until the Group's next Open Enrollment Period.

Additional Rules for Adopted Newborn Children

If an Adopted newborn's Effective Date of coverage is determined to be the date of birth (based on the above chart), a written agreement to Adopt such child must have been entered into by the Covered Employee prior to the birth of such child, whether or not such an agreement is enforceable. We may require the Covered Employee to provide any information and/or documents which we deem necessary in order to administer this provision. If the Adopted newborn child is not ultimately placed in your residence, there shall be no coverage for the Adopted newborn child. It is your responsibility as the Covered Employee to notify us within ten calendar days of the date that placement was to occur if the Adopted newborn child is not placed in your residence.

The guidelines above only apply to newborns born after the Effective Date of the Covered Employee. If a child is born before the Effective Date of the Covered Employee, the newborn should be added during the Initial Enrollment Period.

Adopted/Foster Children: To enroll an Adopted child (other than a newborn child) or Foster Child, the Covered Employee must complete an Enrollment Form and submit it to the Group within 30 days after the date of placement and the Effective Date will be the date the Adopted or Foster child is placed in the residence of the Covered Employee pursuant to Florida law. If timely notice is given, no additional Premium will be charged for coverage of the Adopted or Foster Child for the duration of the notice period (the 30-day period before the child was placed in your home). We may need you to provide additional information or documents deemed necessary, by us in order to properly administer this provision.

If you have submitted the Enrollment Form to the Group on time, as discussed above, but we are not notified timely, the child will be added as of the date of placement so long as we receive the Enrollment Form within 60 days of the placement, and any applicable Premium is paid back to the date of placement. If we are not notified within 60 days of the date of placement, the Covered Employee must make application during an Annual Open Enrollment Period or Special Enrollment Period in order for the Adopted or Foster Child to be covered.

Adopted Children

For all children covered as Adopted children, if the final decree of Adoption is not issued, coverage shall not be continued for such Adopted Child. It is your responsibility, as the Covered Employee, to notify us in writing if the Adoption does not take place. Upon receipt of this written notification, we will terminate the coverage of the child as of the Effective Date of the Adopted child.

Foster Children

If the Covered Employee's status as a foster parent is terminated, coverage will end for any Foster Child. It is your responsibility, as the Covered Employee to notify us in writing that the Foster Child is no longer in your care. Upon receipt of this notification, we will terminate the coverage of the child on the date provided by the Group on the first billing date following receipt of the written notice.

Marital Status: If the Covered Employee marries after his or her Effective Date, he or she may add the spouse who is an Eligible Dependent due to a legally valid marriage. The Covered Employee must complete an Enrollment Form and submit it to the Group within 30 days of the marriage and the Effective Date of coverage for the new spouse will be the date of the marriage.

Court Order: You, as the Covered Employee may add an Eligible Dependent outside of the Initial Enrollment Period and Annual Open Enrollment Period if a court has ordered coverage to be provided by you for a minor child under your plan. The Covered Employee must complete an Enrollment Form and submit it to the Group within 30 days of the court order and the Effective Date of coverage for an Eligible Dependent who is enrolled as a result of a court order is the date required by the court or the next billing date.

Other Provisions

Rehired Employees

Individuals who are rehired as employees of the Group are considered newly-hired employees for purposes of this section, unless the employer has indicated that the employee qualifies for the exception as described in the federal regulations. The provisions of the Group Master Policy (which includes this Booklet) applicable to newly-hired employees and their Eligible Dependents (e.g., enrollment, Effective Dates of coverage and Waiting Period) are applicable to rehired employees and their Eligible Dependents if the employee does not qualify for the federal exception.

Premium Payments

In those instances where an individual is to be added to coverage (e.g., a new Eligible Employee or a new Eligible Dependent, including a newborn or Adopted child), that individual's coverage shall be effective, as described in this section, only if we receive the additional Premium payment within 30 days of the date we notified the Group of such amount. In no event shall an individual be covered under this Group Plan if we do not receive the Premium payment within such time period.

TERMINATION OF COVERAGE

Covered Employee

A Covered Employee's coverage will automatically terminate at 12:01 a.m.:

1. on the date the Policy terminates;
2. on the date the Covered Employee becomes covered under an alternative health benefits plan which is offered through or in connection with the Group;
3. on the last day of the first month that the Covered Employee no longer meets any of the applicable eligibility requirements;
4. on the date the Covered Employee's coverage is terminated for cause; or
5. on the date specified by the Group.

Covered Dependent

A Covered Dependent's coverage will automatically terminate at 12:01 a.m.:

1. on the date the Covered Employee's coverage terminates for any reason;
2. on the last day of the Calendar Year that the Covered Dependent no longer meets the eligibility requirements;
3. on the date we specify that the Covered Dependent's coverage is terminated by us for cause; or
4. on the date specified by the Group.

If you as the Covered Employee wish to delete a Covered Dependent from coverage, you must complete an Enrollment Form and submit it to the Group prior to the termination date requested. If you wish to terminate your spouse from coverage, in the case of divorce for example, the Enrollment Form must be submitted before the termination date you are requesting, or within 10 days of the date the divorce is final, whichever is applicable.

Termination for Cause

If, in our opinion, any of the following events occur, we may terminate an individual's coverage for cause:

1. fraud, material misrepresentation, or omission in applying for coverage or benefits;
2. you intentionally misrepresent, omit or give false information on Enrollment Form, or other forms completed for us, by you or on your behalf;
3. misuse of the ID Card;

Note: Only fraudulent misstatements on the Enrollment Form may be used by us to void coverage or deny any claim for loss incurred or disability, if discovered after the two years from your Effective Date.

Rescission of Coverage

We reserve the right to Rescind coverage under this Booklet for any individual covered under this Booklet as permitted by law.

We may only Rescind your coverage if you or another person on your behalf commits fraud or intentional misrepresentation of material fact in applying for coverage or benefits.

We will provide at least 45 days advance written notice to the Covered Employee of our intent to Rescind coverage.

Rescission of coverage is considered an Adverse Benefit Determination and is subject to the Adverse Benefit Determination review standards described in the CLAIMS PROCESSING section.

Notice of Termination

It is the Group's responsibility to immediately notify you of termination of the Policy for any reason.

Our Responsibilities Upon Termination of an Your Coverage

Upon termination of coverage for you or your Covered Dependents for any reason, we will have no further liability or responsibility with respect to such individual, except as otherwise specifically set forth in this Booklet.

CONTINUING COVERAGE

Introduction

This section describes the ways coverage can be continued after your termination date. We have divided this section into three subsections: Federal Continuation Provisions, Conversion Privilege and Extension of Benefits.

Federal Continuation of Coverage Law

A federal continuation of coverage law, known as the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, may apply to your Group; if so, you may be entitled to continue coverage for a limited period of time, if you meet the applicable requirements, make a timely election, and pay the proper amount required to maintain coverage.

You must contact your Group to determine if you are entitled to COBRA continuation of coverage. Your Group is solely responsible for meeting all of the obligations under COBRA, including the obligation to notify you of their rights under COBRA. If you or the Group do not meet your obligations under COBRA and the Policy, we shall not be liable for any claims incurred by you after your coverage terminates.

A summary of your COBRA rights and the general conditions for qualification for COBRA continuation coverage is provided below. This summary is not meant as a representation that any of the COBRA obligations of the Group are met by the purchase of the Policy; the duty to meet such obligations remains with the Group.

1. The following is a summary of what you may elect, if COBRA applies to your Group and you are eligible for such coverage: You may elect to continue your coverage for a period not to exceed 18 months* in the case of:
 - a) termination of employment of the Covered Employee other than for gross misconduct; or
 - b) reduced hours of employment of the Covered Employee.

***Note:** You are eligible for an 11 month extension of the 18 month COBRA continuation option above (to a total of 29 months) if you are totally disabled, as defined by the Social Security Administration (SSA), at the time of your termination, reduction in hours or within the first 60 days of COBRA continuation coverage. You must supply notice of the disability determination to the Group within 18 months of becoming eligible for continuation coverage and no later than 60 days after the SSA's determination date.

2. Your Covered Dependents may elect to continue their coverage for a period not to exceed 36 months in the case of:
 - a) the Covered Employee's entitlement to Medicare;
 - b) divorce or legal separation from the Covered Employee;
 - c) death of the Covered Employee;
 - d) the employer files bankruptcy (subject to bankruptcy court approval); or
 - e) a Covered Dependent child who ceases to be an Eligible Dependent under the terms of the Policy.

Children born to or placed for Adoption with the Covered Employee during the continuation coverage periods noted above are also eligible for the remainder of the continuation period.

If you are eligible to continue group health insurance coverage pursuant to COBRA, the following conditions must be met:

1. The Group must notify you of your continuation of coverage rights under COBRA within 14 days of the event that creates the continuation option. If coverage would be lost due to Medicare entitlement, divorce, legal separation or because a Covered Dependent child no longer meets eligibility requirements, you or your Covered Dependent must notify the Group, in writing, within 60 days of any of these events. The Group's 14-day notice requirement runs from the date of receipt of such notice.
2. You must elect to continue the coverage within 60 days of the later of:
 - a) the date that your coverage ends; or
 - b) the date the notification of continuation of coverage rights is sent by the Group.
3. COBRA coverage will end if you become covered under any other group health plan. However, COBRA coverage may continue if the new group health plan contains exclusions or limitations due to a Pre-existing Condition that would affect your coverage.
4. COBRA coverage will end if you become entitled to Medicare.
5. If you are totally disabled and eligible and elect to extend your continuation of coverage, you may not continue such extension of coverage more than 30 days after a determination by the SSA that you are no longer disabled. You must inform the Group of the SSA's determination within 30 days of such determination.
6. You must meet all Premium payment requirements and all other eligibility requirements described in COBRA, and, to the extent not inconsistent with COBRA, as described in the Policy.
7. The Group must continue to provide group health coverage to its employees, in order for COBRA continuation coverage to remain available to you.

An election by a Covered Employee or Covered Dependent spouse shall be deemed to be an election for any other qualified beneficiary related to that Covered Employee or Covered Dependent spouse, unless otherwise specified in the election form.

Note: This section shall not be interpreted to grant any continuation rights in excess of those required by COBRA and/or Section 4980B of the Internal Revenue Code. Additionally, the Policy shall be deemed to have been modified, and shall be interpreted, so as to comply with COBRA and changes to COBRA that are mandatory with respect to the Group.

Conversion Privilege

If your Group Plan has terminated, you may apply for conversion to a non-group plan. Florida Blue and the Group have no obligation to notify you of the conversion privilege. It is your sole responsibility to exercise this conversion privilege subject to the provisions set forth below.

Eligibility Criteria for Conversion

1. You are entitled to apply for a conversion contract for non-group plan if: you have been continuously covered under this Policy for at least three consecutive months; or , you were covered for at least three consecutive months under any other group policy providing similar benefits that the Policy immediately replaced; and
2. your coverage has been terminated for any reason, including discontinuance of the Policy in its entirety and termination of continued coverage under COBRA.

The conversion contract shall be issued without regard to health status or requirements for Health Care Services. We must receive the completed conversion application and the applicable Premium payment within the 63-day period beginning on the date the Policy terminated. If the Policy has been terminated due to non-payment of Premium by the Group, we must receive the completed conversion application

and the applicable Premium payment within the 63-day period beginning on the date notice was given to the Group that the Policy terminated.

In the event we do not receive the conversion application and the initial Premium payment within such 63-day period, your conversion application will be denied and you will not be entitled to a conversion policy.

Conversion is not available if termination occurred for any of the following reasons:

1. you had not been continuously covered under the Policy for at least three months prior to termination;
2. failure to pay any required Premium unless such non-payment was due to acts of an employer or person other than you;
3. replacement of coverage by similar group coverage occurs within 31 days of termination;
4. fraud or intentional misrepresentation in applying for the Policy or for any Covered Services;
5. termination for cause as set forth in the TERMINATION OF COVERAGE section;
6. you are eligible for, or covered under, Medicare.

Additionally, conversion is not available:

1. if you are eligible for similar benefits, whether or not you are actually covered under any arrangement of coverage for individuals in a Group;
2. if you are covered by similar benefits by another hospital, surgical, medical or major medical expense insurance policy or hospital or medical Service insured contract or medical practice or other prepayment plan, or by any other plan or program;
3. if similar benefits are provided for or are available to you pursuant to or in accordance with the requirements of any state or federal law (e.g., COBRA); or
4. if the benefits provided or available to you, together with the benefits provided by us, would result in excess of coverage, as determined by us.

Conversion Coverage

The conversion contract issued to each individual who converts to non-group coverage shall include a level of benefits for "minimum Services" which is similar to the level of benefits for the Services included in this Booklet. For purposes of this section, the term "minimum Services" shall mean Services which include any of the following: emergency care, inpatient Hospital Services, Physician care, ambulatory diagnostic treatment, and preventive Health Care Services. Conversion coverage is not a continuation of the Policy. Benefits under such conversion coverage may differ from benefits under the Policy and any Endorsements attached thereto. Conversion coverage may continue in effect as long as you: (a) continue to meet all applicable eligibility requirements; (b) pay all applicable fees and charges; and (c) otherwise comply with all requirements under the conversion contract.

Effective Date of Conversion

The effective date of conversion coverage shall be the day following the termination of the Policy. However, until such time as coverage under the conversion contract becomes effective, you shall pay the Allowed Amount for any Covered Services rendered during the 63-day period immediately following termination of the Policy. In the event such conversion coverage becomes effective, you may request reimbursement from us for any payment for Covered Services. You must submit proof of payment to us in order to obtain reimbursement.

Extension of Benefits

If the Policy is terminated, coverage will end on the termination date, except as listed below. The extension of benefits described below only applies when the Policy is terminated, and the benefits provided under an extension of benefits are subject to all of the terms included in this Booklet.

Note: You must provide proof that you are entitled to an extension of benefits.

Extension of Benefits

1. If you are pregnant on the termination date of the Policy, we will provide a limited extension of the maternity benefits, as long as the pregnancy started while you were covered by us. This extension of benefits is only for Covered Services necessary to treat the pregnancy and will automatically terminate on the date the child is born.
2. If you are totally disabled on the termination date of the Policy because of a specific accident or illness that happened while you were covered under the Policy, we will provide a limited extension of benefits for you only. This extension of benefits is for Covered Services necessary to treat the disabling Condition. This extension of benefits will only continue as long as the disability is continuous and uninterrupted, however, in any event, this extension of benefits will automatically terminate at the end of the 12-month period beginning on the termination date of the Policy.
3. **Note:** For purposes of this subsection, you will be considered totally disabled only if, in our opinion, you are unable to work at a job for which you have the education, training, or experience, and you require regular care from a Physician for the disability. This applies, even if you are not working (e.g., a student, non-working spouse, or children), if you are unable to perform the normal day-to-day activities which you would otherwise be able to perform. If you are receiving covered dental treatment on the termination date of the Policy, we will provide a limited extension of such covered dental treatment as long as the course of dental treatment or dental procedures were recommended in writing and started while you were covered by us. Additionally, the dental procedures must be for Services other than routine examinations, prophylaxis, x-rays, sealants, or orthodontic Services and performed within 90 days after the Policy terminated.

Note: This extension of benefits is for Covered Services necessary to complete the dental treatment only. This extension of benefits will automatically terminate at the end of the 90-day period beginning on the termination date of the Policy or on the date you become covered under a succeeding insurance, health maintenance organization or self-insured plan providing coverage or Services for similar dental procedures. You are not required to be totally disabled in order to be eligible for this extension of benefits.

COORDINATION OF BENEFITS

Coordination of Benefits

Coordination of Benefits is a limitation of coverage and/or benefits to be provided by Florida Blue. It is designed to avoid duplication of payment for Covered Services and/or supplies. We shall coordinate payment of Covered Services to the maximum extent allowed by law. Contracts which may be subject to Coordination of Benefits include, but are not limited to, the following which will be referred to as "plan(s)" for purposes of this section:

1. any group insurance, group-type self-insurance, or HMO plan;
2. any group contract issued by any Blue Cross and/or Blue Shield Plan(s);
3. any plan, program or insurance policy, including an automobile insurance policy, provided that any such non-group policy contains a coordination of benefits provision;
4. Medicare, as described in the Medicare Secondary Payer Provisions subsection; and
5. to the extent permitted by law, any other government sponsored health insurance program.

The amount of payment by us, is based on whether or not we are the primary payer. When we are primary, we will pay for Covered Services without regard to coverage under other plans. When we are not primary, our payment may be reduced so that total benefits under all plans will not exceed 100 percent of the total reasonable expenses actually incurred for Covered Services. In the event the Covered Services were rendered by an In-Network Provider, total reasonable expenses, for purposes of this section, shall be equal to the amount we are obligated to pay such In-Network Provider based on the Provider's contract. In the event that the primary payer's payment exceeds our Allowed Amount, no payment will be made for such Services.

The following rules shall be used to establish the order in which benefits under the respective plans will be determined:

1. This plan always pays secondary to any medical payment, personal injury protection (PIP) coverage or no-fault coverage under any automobile policy available to you.
2. When we cover you as a dependent and the other plan covers you as other than a dependent, we will be secondary.
3. When we cover you as a dependent child and your parents are married (not separated or divorced):
 - a) the plan of the parent whose birthday, month and day, falls earlier in the year will be primary;
 - b) if both parents have the same birthday, month and day, and the other plan has covered one of the parents longer than us, we will be secondary.
4. When we cover a dependent child whose parents are not married, or are separated or divorced:
 - a) the plan of the parent with custody is primary;
 - b) the plan of the remarried parent with custody is primary regardless of whether the remarried parent is the employee or a dependent under the step-parent's plan; the step-parent's plan is secondary;
 - c) and the plan of the parent without custody pays last;
 - d) regardless of which parent has custody, whenever a court decree specifies the parent who is financially responsible for the child's health care expenses, the plan of that parent is always primary.

5. When an employee or the employee's dependent and you are covered under a plan that covers you as a laid off or retired employee or as the employee's dependent and the other plan covers you as a dependent:
 - a) the plan that covers you by virtue of active employment, e.g. as the dependent spouse of an active employee, is primary;
 - b) if the other plan is not subject to this rule, and if, as a result, such plan does not agree on the order of benefits, this paragraph shall not apply.
6. If you have continuation of coverage under COBRA or Florida Health Insurance Coverage Continuation Act (FHICCA or mini COBRA), and also under another group plan, the following order of benefits applies:
 - a) first, the plan covering the person as an employee, or as the employee's dependent; and
 - b) second, the coverage purchased under the plan covering the person as a former employee, or as the former employee's dependent provided according to the provisions of COBRA or FHICCA.
7. When rules 1 through 6 above do not establish an order of benefits, the plan which has covered the Covered Person the longest shall be primary.
8. If the other plan does not have rules that establish the same order of benefits as under this Booklet, the benefits under the other plan will be determined primary to the benefits under this Booklet.

We will not coordinate benefits against an indemnity-type policy, an excess insurance policy, a policy with coverage limited to specified illnesses or accidents, or a Medicare supplement policy.

Medicare Secondary Payer Provisions

When you become covered under Medicare and are still eligible and covered under the Group Plan, your Group Plan will be primary and Medicare benefits will be secondary, but only to the extent required by law. In all other instances, your coverage under the Group Plan will be secondary to any Medicare benefits. When your Group Plan is the primary payer, claims for Covered Services should be filed with us first.

If you become covered under Medicare and are still eligible and covered under the Group Plan, the Group MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to you. Also, the Group MAY NOT persuade you to decline or terminate your Group Plan coverage and elect Medicare as the primary payer.

When you turn 65 or become eligible for Medicare due to End Stage Renal Disease ("ESRD"), you must notify the Group.

Individuals With End Stage Renal Disease

If you become entitled to Medicare coverage because of ESRD your under Group Plan is primary for 30 months beginning with the earlier of:

1. the month in which you became entitled to Medicare Part A ESRD benefits; or
2. the first month in which you would have been entitled to Medicare Part A ESRD benefits, if a timely application had been made.

If Medicare was already primary before ESRD, Medicare will remain primary. (Also, if your Group Plan coverage was primary before ESRD entitlement, the Group Plan will remain primary for the ESRD coordination period. If you are eligible for Medicare due to ESRD, your Group Plan coverage is primary for 30 months.

Disabled Active Individuals

Your Group Plan coverage is primary, if:

1. your Group is a part of a health plan that has covered employees of at least one employer of 100 or more full-time or part-time employees on 50% or more of its regular business days during the previous Calendar Year; and
2. you are entitled to Medicare coverage because of disability (unless you have ESRD).

Primary coverage under the Group Plan is pursuant to the following terms:

1. your Group Plan coverage is primary during any month in which you are entitled to Medicare coverage because of disability;
2. your entitlement to primary coverage under this subsection will terminate automatically when:
 - a) you turn 65 years of age; or
 - b) you no longer qualify for Medicare coverage because of disability; or
 - c) you elect Medicare as the primary payer. Coverage will terminate as of the date of your election.

Under Medicare, the Group MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to you or induce you to decline or terminate your Group Plan coverage and elect Medicare as the primary payer.

3. Your entitlement to primary coverage under this subsection will terminate automatically if you no longer qualify under applicable Medicare regulations and instructions. The Group shall notify us, without delay, of any such change in status.

Miscellaneous

This section shall be changed, if necessary, to comply with federal statutory and regulatory Medicare Secondary Payer rules as they relate to Medicare beneficiaries who are covered under a group plan.

We will not be liable to the Group or anyone covered under the Group Plan due to any non-payment of primary benefits that result from any failure of the Group's performance or obligations set forth in this section.

If we elect to make primary payments for Covered Services rendered to you as described in this section in a period prior to receipt of the information required by the terms of this section, we may require the Group to reimburse us for such payments. Or we may require the Group to pay the rate difference that resulted from the Group's failure to provide us with the required information in a timely manner.

Facility of Payment

Whenever payments which should have been made by us are made by any other person, plan, or organization, we shall have the right, exercisable alone and in our sole discretion, to pay over to any such person, plan, or organization making such other payments, any amounts we shall determine to be required in order to satisfy our coverage obligations hereunder. Amounts so paid shall be deemed to be paid under the Policy and, to the extent of such payments, we shall be fully discharged from liability.

Non-Duplication of Government Programs

The benefits provided under this Booklet shall not duplicate any benefits to which you are entitled, or for which you are eligible, under government programs such as Medicare, Veterans Administration, TRICARE, or Workers' Compensation, to the extent allowed by law or any extension of benefits of coverage under a prior plan or program which may be required by law.

CLAIMS PROCESSING

Introduction

This section is intended to:

- help you understand what you or your treating Providers must do, under the terms of this Booklet, in order to obtain payment for Covered Services that have been rendered or will render to you; and
- provide you with a general description of the applicable procedures we will use for making Adverse Benefit Determinations, Concurrent Care Decisions and for notifying you when we deny benefits.

If your Group Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), your plan administrator (usually the employer) is solely responsible for complying with ERISA. While the benefit determination timeliness standards set forth in this section are generally consistent with ERISA, we are not legally responsible for notifying you of any rights you may have under ERISA. If you are not sure of your rights under ERISA, you can contact the plan administrator or an attorney of your choice. We will follow the claim determination procedures and notice requirements set forth in this section even if the Group Plan is not subject to ERISA.

Under no circumstances will we be held responsible for, nor will we accept liability relating to, the failure of your Group Plan's sponsor or plan administrator to: 1) comply with ERISA's disclosure requirements; 2) provide you with a Summary Plan Description (SPD) as that term is defined by ERISA; or 3) comply with any other legal requirements. You should contact the plan sponsor or administrator with questions relating to the Group Plan's SPD. We are not your Group Plan's sponsor or plan administrator. In most cases, a plan's sponsor or plan administrator is the employer who establishes and maintains the plan.

Types of Claims

For purposes of this Booklet, there are three types of claims: 1) Pre-Service Claims; 2) Post-Service Claims; and 3) Claims Involving Urgent Care. It is important that you become familiar with the types of claims that can be submitted to us and the timeframes and other requirements that apply.

Post-Service Claims

How to File a Post-Service Claim

Experience shows that the most common type of claim we will receive from you or your treating Providers will likely be Post-Service Claims.

PPC Providers and Traditional Program Providers have agreed to file Post-Service Claims with us for Health Care Services they render to you. In the event a Provider who renders Services to you does not file a Post-Service Claim for such Services, it is your responsibility to file it with us.

We must receive a Post-Service Claim within 90 days of the date the Health Care Service was rendered or, if it was not reasonably possible to file within such 90-day period, as soon as possible. In any event, no Post-Service Claim will be considered for payment if we do not receive it at the address indicated on your ID Card within one year of the date the Service was rendered unless you were legally incapacitated.

For Post-Service Claims, we must receive an itemized statement containing the following information:

1. the date the Service was provided;
2. a description of the Service including any applicable procedure code(s);

3. the amount actually charged by the Provider;
4. the diagnosis including any applicable diagnosis code(s);
5. the Provider's name and address;
6. the patient's name; and
7. the Covered Employee's name and contract number as they appear on the ID Card.

Note: Please refer to the PRESCRIPTION DRUG PROGRAM section for information on the processing of Prescription Drug claims. Special claims processing rules may apply for Health Care Services you receive outside the state of Florida under the BlueCard Program. See the BLUECARD PROGRAM section for additional information.

Processing Post-Service Claims

We will use our best efforts to pay, contest, or deny all Post-Service Claims for which we have all of the necessary information, as determined by us, within the timeframes described below.

Payment for Post-Service Claims

When payment is due under the terms of this Booklet, we will use our best efforts to pay (in whole or in part) for electronically submitted Post-Service Claims within 20 days of receipt. Likewise, we will use our best efforts to pay (in whole or in part) for paper Post-Service Claims within 40 days of receipt. You may receive notice of payment for paper claims within 30 days of receipt. If we are unable to determine whether the claim or a portion of the claim is payable because we need more information, we may contest or deny the claim within the timeframes set forth below.

Contested Post-Service Claims

In the event we contest an electronically submitted Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is contested. In the event we contest a paper Post-Service Claim, or a portion of such claim, we will use our best efforts to provide notice, within 30 days of receipt, that the claim or a portion of the claim is contested. The notice may identify: 1) the contested portion or portions of the claim; 2) the reasons for contesting the claim or a portion of the claim; and 3) the date that we reasonably expect to notify you of the decision. The notice may also indicate whether more information is needed in order to complete processing of the claim. If we request additional information, we must receive it within 45 days of the request for the information. **If we do not receive the requested information, the claim will be processed based on the information in our possession at the time and may be denied.** Upon receipt of the requested information, we will use our best efforts to complete the processing of the Post-Service Claim within 15 days of receipt of the information.

Denial of Post-Service Claims

In the event we deny a Post-Service Claim submitted electronically, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is denied. In the event we deny a paper Post-Service Claim, we will use our best efforts to provide notice, within 30 days of receipt of the claim, that the claim or a portion of the claim is denied. The notice may identify the denied portions of the claim and the reasons for denial. It is your responsibility to ensure that we receive all information that we determine is necessary to process a Post-Service Claim. **If we do not receive the necessary information, the claim or a portion of the claim may be denied.**

A Post-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards described in this section.

In any event, we will use our best efforts to pay or deny all: 1) electronic Post-Service Claims within 90 days of receipt of the completed claim; and 2) paper Post-Service Claims within 120 days of receipt of the completed claim. Claims processing shall be deemed to have been completed as of the date the notice of the claims decision is deposited in the mail by us or otherwise electronically transmitted. Any claims payment relating to a Post-Service Claim that is not made by us within the applicable timeframe is subject to the payment of simple interest at the rate established by the Florida Insurance Code.

We will investigate any allegation of improper billing by a Provider upon receipt of written notification from you. If we determine that you were billed for a Service that was not actually performed, any payment amount will be adjusted and, if applicable, a refund will be requested. In such a case, if payment to the Provider is reduced due solely to the notification from you, we will pay you 20 percent of the amount of the reduction, up to a total of \$500.

Pre-Service Claims

How to File A Pre-Service Claim

This Booklet may condition coverage, benefits, or payment (in whole or in part), for a specific Covered Service, on the receipt by us of a Pre-Service Claim as that term is defined herein. In order to determine whether we must receive a Pre-Service Claim for a particular Covered Service, please refer to the WHAT IS COVERED? section, the BLUEPRINT FOR HEALTH section and other applicable sections of this Booklet. You may also call the customer service phone number on your ID card for assistance.

We are not required to render an opinion or make a coverage or benefit determination with respect to a Service that has not actually been provided to you unless the terms of this Booklet require approval by us (or condition payment) for the Service before it is received.

Benefit Determinations on Pre-Service Claims Involving Urgent Care

For a Pre-Service Claim Involving Urgent Care, we will use our best efforts to provide notice of the determination (whether adverse or not) as soon as possible, but not later than 72 hours after receipt of the Pre-Service Claim unless additional information is required for a coverage decision. If additional information is necessary to make a determination, we will use our best efforts to provide notice within 24 hours of: 1) the need for additional information; 2) the specific information that you or your Provider may need to provide; and 3) the date that we reasonably expect to provide notice of the decision. If we request additional information, we must receive it within 48 hours of the request. We will use our best efforts to provide notice of the decision on the Pre-Service Claim within 48 hours after the earlier of: 1) receipt of the requested information; or 2) the end of the period you were afforded to provide the specified additional information as described above.

Benefit Determinations on Pre-Service Claims That Do Not Involve Urgent Care

We will use our best efforts to provide notice of a decision on a Pre-Service Claim not involving urgent care within 15 days of receipt, provided additional information is not required for a coverage decision. This 15-day determination period may be extended by us one time for up to an additional 15 days. If such an extension is necessary, we will use our best efforts to provide notice of the extension and reasons for it. We will use our best efforts to provide notification of the decision on your Pre-Service Claim within a total of 30 days of the initial receipt of the claim, if an extension of time was taken by us.

If additional information is necessary to make a determination, we will use our best efforts to: 1) provide notice of the need for additional information, prior to the expiration of the initial 15-day period; 2) identify the specific information that you or your Provider may need to provide; and 3) inform you of the date that we reasonably expect to notify you of the decision. If we request additional information, we must receive it within 45 days of the request for the information. We will use our best efforts to provide notice of the decision on your Pre-Service Claim within 15 days of receipt of the requested information.

A Pre-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards described in this section.

Concurrent Care Decisions

Reduction or Termination of Coverage or Benefits for Services

A reduction or termination of coverage or benefits for Services will be considered an Adverse Benefit Determination when:

1. we have approved, in writing, coverage or benefits for an ongoing course of Services to be provided over a period of time or a number of Services to be rendered; and
2. the reduction or termination occurs before the end of such previously approved time or number of Services; and
3. the reduction or termination of coverage or benefits by us was not due to an amendment to the Booklet or termination of your coverage as provided by this Booklet.

We will use our best efforts to notify you of such reduction or termination in advance so that you will have a reasonable amount of time to have the reduction or termination reviewed in accordance with the Adverse Benefit Determinations described below. In no event shall we be required to provide more than a reasonable period of time within which you may develop your appeal before we actually terminate or reduce coverage for the Services.

Requests for Extension of Services

Your Provider may request an extension of coverage or benefits for a Service beyond the approved period of time or number of approved Services. If the request for an extension is for a Claim Involving Urgent Care, we will use our best efforts to notify you of the approval or denial of such requested extension within 24 hours after receipt of the request, provided it is received at least 24 hours prior to the expiration of the previously approved number or length of coverage for such Services. We will use our best efforts to notify you within 24 hours if: (1) we need additional information; or (2) you or your representative did not follow proper procedures in the request for an extension. If we request additional information, you will have 48 hours to provide the requested information. We may notify you orally or in writing, unless you or your representative specifically request that it be in writing. A denial of a request for an extension of Services is considered an Adverse Benefit Determination and is subject to the procedures described below.

Adverse Benefit Determinations

Manner and Content of a Notification of an Adverse Benefit Determination

We will use our best efforts to provide notice of any Adverse Benefit Determination in writing. Notification of an Adverse Benefit Determination will include (or will be made available to you free of charge upon request):

1. the date the Service or supply was provided;
2. the Provider's name;
3. the dollar amount of the claim, if applicable;
4. the diagnosis codes included on the claim (e.g., ICD-9, ICD-10, DSM-IV), and upon request, a description of such codes;

5. the standardized procedure code included on the claim (e.g., Current Procedural Terminology), including a description of such codes;
6. the specific reason or reasons for the Adverse Benefit Determination, including any applicable denial code;
7. a description of the specific Booklet provisions upon which the Adverse Benefit Determination is based, as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination;
8. a description of any additional information that might change the determination and why that information is necessary;
9. a description of the Adverse Benefit Determination review procedures and the time limits applicable to such procedures; and
10. if the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational exclusions, a statement telling you how to obtain the specific explanation of the scientific or clinical judgment for the determination.

If the claim is a Claim Involving Urgent Care, we may notify you orally within the proper timeframes, provided we follow-up with a written or electronic notification meeting the requirements of this subsection no later than two working days or three calendar days after the oral notification.

How to Appeal an Adverse Benefit Determination

Except as described below, you, or a representative designated by you in writing, have the right to appeal an Adverse Benefit Determination. An appeal of an Adverse Benefit Determination will be reviewed using the process described below. Your appeal must be submitted in writing to us for an internal appeal, within 365 days of the original Adverse Benefit Determination, except in the case of Concurrent Care Decisions which may, depending upon the circumstances, require you to file within a shorter period of time from notice of the denial. The following guidelines are applicable to reviews of Adverse Benefit Determinations:

1. You must cooperate fully with us in our effort to promptly review and resolve an appeal. In the event you do not fully cooperate with us, you will be deemed to have waived your right to have the appeal processed within the time frames set forth in this section.
2. You, or a Provider or a person acting on your behalf, must specifically request an expedited review. The expedited appeal process only applies to Pre-Service Claims or requests for extension of concurrent care Services made within 24 hours before the authorization for such Services expires. An expedited appeal will not be accepted for an Adverse Benefit Determination on a Post-Service Claim.
3. We must receive your appeal of an Adverse Benefit Determination in person or in writing.
4. You may review pertinent documents, upon request and free of charge, such as any internal rule, guideline, protocol, or similar criterion relied upon to make the determination, and submit issues or comments in writing.
5. If any new or additional information is received from anyone other than you, a copy must be provided to you free of charge and as soon as possible and sufficiently in advance of the date on which the final adverse notice is to be provided to give you a reasonable opportunity to respond prior to that date.
6. If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service or the Experimental or Investigational exclusion, you may request an explanation of the scientific or clinical judgment relied upon, if any, for the determination, that applies the terms of the Booklet to your medical circumstances. This information is provided free of charge.
7. During the review process, the Services in question will be reviewed without regard to the decision reached in the initial determination.

8. We may consult with appropriate Physicians in the same or similar specialty as typically manages the Condition, procedure, or treatment under review, as necessary.
9. Any independent medical consultant who reviews your Adverse Benefit Determination on our behalf will be identified upon request.
10. If the claim is a Claim Involving Urgent Care, you may request an expedited review orally or in writing in which case all necessary information on review may be transmitted between you and us by telephone, facsimile or other available expeditious method.
11. If your request for expedited review arises out of a concurrent review determination by us that a continued hospitalization is not Medically Necessary, coverage for the hospitalization will continue until you have been notified of the determination.
12. We will review the appeal and may make a decision based on medical records, additional information and input from health care professionals in the same or similar specialty as typically manages the Condition, procedure or treatment under review.
13. We will advise you of all appeal decisions in writing, as outlined in the Timing of Our Appeal Review on Adverse Benefit Determinations subsection.
14. If you wish to give someone else permission to appeal an Adverse Benefit Determination on your behalf, we must receive a completed Appointment of Representative form signed by you indicating the name of the person who will represent you with respect to the appeal. An Appointment of Representative form is not required if your Physician is appealing an Adverse Benefit Determination relating to a Claim Involving Urgent Care. Appointment of Representative forms are available at www.floridablue.com or by calling the number on your ID card.
15. If you are not satisfied with our decision, you have the right to an independent external review through an external review organization for certain appeals, as described in the How to Request External Review of Our Appeal Decision subsection below.

Appeals must be sent to the address below:

Florida Blue
Attention: Member Appeals
P.O. Box 44197
Jacksonville, Florida 32231-4197

Timing of Our Appeal Review on Adverse Benefit Determinations

We will use our best efforts to review your appeal of an Adverse Benefit Determination and communicate the decision in accordance with the following time frames:

1. Pre-Service Claims: within 30 days of the receipt of your appeal;
2. Post-Service Claims: within 60 days of the receipt of your appeal; or
3. Claims Involving Urgent Care (and requests to extend concurrent care Services made within 24 hours prior to the termination of the Services): within 72 hours of receipt of your request. If additional information is necessary we will notify you within 24 hours and we must receive the requested additional information within 48 hours of the request. After we receive the additional information, we will have an additional 48 hours to make a final determination.

Note: The nature of a claim for Services (i.e. whether it is “urgent care” or not) is judged as of the time of the benefit determination on review, not as of the time the Service was initially reviewed or provided.

Exhaustion of Internal Appeals Process

Generally, you must complete all appeal processes outlined in this Benefit Booklet before you can obtain independent external review or bring an action in litigation. However, if we do not strictly adhere to all

claim determination and appeal requirements under applicable law, you are considered to have exhausted our appeal requirements (“Deemed Exhaustion”) and may proceed with independent external review unless a minor exception applies. Minor exceptions are allowed when failure to adhere was non-prejudicial; attributable to good cause or matters beyond our control; in the context of on-going good-faith exchange of information; and not reflective of a pattern or practice of non-compliance.

Your Rights under Florida Statute 627.6141

You, or a Provider acting on your behalf, who has had a claim denied as not Medically Necessary has the opportunity to appeal the claim denial. The appeal may be directed to an employee of Florida Blue who is a licensed Physician responsible for Medical Necessity reviews. The appeal may be by telephone and the Physician will respond to you, within a reasonable time, not to exceed 15 business days.

How to Request External Review of Our Appeal Decision

If we deny your appeal and our decision involves a medical judgment, including, but not limited to, a decision based on Medical Necessity, appropriateness, health care setting, level of care or effectiveness of the Health Care Service or treatment you requested or a determination that the treatment is Experimental or Investigational, you are entitled to request an independent, external review of our decision. Your request will be reviewed by an independent third party with clinical and legal expertise (“External Reviewer”) who has no association with us. If you have any questions or concerns during the external review process, please contact us at the phone number listed on your ID card or visit www.floridablue.com. You may submit additional written comments to External Reviewer. A letter with the mailing address will be sent to you when you file an external review. Please note that if you provide any additional information during the external review process it will be shared with us in order to give us the opportunity to reconsider the denial. Submit your request in writing on the External Review Request form within four months after receipt of your denial to the below address:

Florida Blue
Attention: Member External Reviews DCC9-5
Post Office Box 44197
Jacksonville, FL 32231-4197

If you have a medical Condition where the timeframe for completion of a standard external review would seriously jeopardize your life, health or ability to regain maximum function, you may file a request for an expedited external review. Generally, an urgent situation is one in which your health may be in serious jeopardy, or in the opinion of your Physician, you may experience pain that cannot be adequately controlled while you wait for a decision on the external review of your claim. Moreover expedited external reviews may be requested for an admission, availability of care, continued stay or Health Care Service for which you received Emergency Services, but have not been discharged from a facility. Please be sure your treating Physician completes the appropriate form to initiate this request type. If you have any questions or concerns during the external review process, please contact us at the phone number listed on your ID card or visit www.floridablue.com. You may submit additional written comments to the External Reviewer. A letter with the mailing address will be sent to you when you file an external review. Please note that if you provide any additional information during the external review process it will be shared with us in order to give us the opportunity to reconsider the denial. If you believe your situation is urgent, you may request an expedited review by sending your request to the address above or by fax to 904-565-6637.

If the External Reviewer decides to overturn our decision, we will provide coverage or payment for your health care item or Service.

You or someone you name to act for you may file a request for external review. To appoint someone to act on your behalf, please complete an Appointment of Representative form.

You are entitled to receive, upon written request and free of charge, reasonable access to, and copies of all documents relevant to your appeal including a copy of the actual benefit provision, guideline, protocol or other similar criterion on which the appeal decision was based.

You may request and we will provide the diagnosis and treatment codes, as well as their corresponding meanings, applicable to this notice, if available.

Additional Claims Processing Provisions

Release of Information/Cooperation

In order to process claims, we may need certain information, including information regarding other health care coverage you may have and/or medical information from Providers who render Services to you. You must cooperate with our effort to obtain this information, including signing any release of information form at our request. If you do not fully cooperate with us, we may deny the claim and we will have no liability for such claim.

Physical Examination and Autopsy

In order to make coverage and benefit decisions, we may, at our expense, require you to be examined by a Provider of our choice as often as is reasonably necessary while a claim is pending. We also reserve the right, if the law permits, to have an autopsy performed on you in case of death. If you do not fully cooperate with such examination, we may deny the claim and we shall have no liability for such claim.

Legal Actions

No legal action arising out of or in connection with coverage under this Booklet may be brought against us within the 60-day period following our receipt of the completed claim as required herein. Additionally, no such action may be brought after expiration of the applicable statute of limitations.

Fraud, Misrepresentation or Omission in Applying for Benefits

We rely on the information provided on the itemized statement when processing a claim. All such information, therefore, must be accurate, truthful and complete. Any fraudulent statement, omission or concealment of facts, misrepresentation, or incorrect information may result, in addition to any other legal remedy we may have, in denial of the claim or cancellation or Rescission of your coverage.

Communication of Claims Decisions

All claims decisions, including denial and claims review decisions, will be communicated to you in writing, such as through your monthly member health statement. This written correspondence may indicate:

1. The specific reason or reasons the claim was denied.
2. Reference to the specific Booklet provisions upon which the denial is based as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination.
3. A description of any additional information that would change the initial determination and why that information is necessary.
4. A description of the applicable Adverse Benefit Determination review procedures and the time limits applicable to such procedures.
5. If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational exclusions, a statement telling you how you can obtain the specific explanation of the scientific or clinical judgment for the determination.

Circumstances Beyond Our Control

To the extent that natural disaster, war, riot, civil insurrection, epidemic, or other emergency or similar event not within our control, results in our facilities, personnel or financial resources being unable to process claims for Covered Services, we will have no liability or obligation for any delay in the payment of claims for Covered Services, except that we will make a good faith effort to make payment for such Services, taking into account the impact of the event. For the purposes of this paragraph, an event is not within our control if we cannot effectively exercise influence or dominion over its occurrence or non-occurrence.

ERISA Civil Action Provision

A federal law known as the Employee Retirement Security Act of 1974 (ERISA), as amended, may apply to the Group Plan. If ERISA applies to the Group Plan, you are entitled, after exhaustion of the appeal procedures provided for in this section, to pursue civil action under Section 502(a) of ERISA in connection with an Adverse Benefit Determination or any other legal or equitable remedy otherwise available.

GENERAL PROVISIONS

Access to Information

We shall have the right to receive, from any health care Provider rendering Services to you, information that is reasonably necessary, as determined by us, in order to administer the coverage and/or benefits we provide, subject to all applicable confidentiality requirements set forth in this section. By accepting coverage under this Booklet you authorize every health care Provider who renders Services or furnishes supplies to you, to disclose to us or to entities affiliated with us, upon request, all facts, records, and reports pertaining to your care, treatment, and physical or mental Condition, and to permit us to copy any such records and reports so obtained.

Amendment

The terms of coverage and benefits to be provided by us under the Policy may be amended without your consent or that of the Group or any other person, upon 45 days prior written notice to the Group. In the event the amendment is unacceptable to the Group, the Group may terminate the Policy upon at least ten days prior written notice to us. Any such amendment shall be without prejudice to claims filed with us prior to the date of such amendment. No agent or other person, except our duly authorized officer, has the authority to modify the terms of this Booklet, or to bind us in any manner not expressly set forth herein, including but not limited to the making of any promise or representation, or by giving or receiving any information. The terms of coverage and/or benefits to be provided by us under the Group Plan may not be amended by the Group unless such amendment is evidenced in writing and signed by our duly authorized officer. The Group shall immediately notify each Covered Person of any such amendment or shall assist us in so notifying you at our request.

Assignment and Delegation

The obligations arising hereunder may not be assigned, delegated or otherwise transferred by either party without the written consent of the other party; provided, however, that we may assign our coverage and/or benefit obligations to our successor in interest or an affiliated entity without the Group's consent, at any time. Any assignment, delegation, or transfer made in violation of this provision shall be void.

Care Profile Program – A Payer-Based Health Record Program

A care profile is available to treating Physicians for each person covered under this Booklet. This care profile allows a secure, electronic view of specific claims information for Services rendered by Physicians, Hospitals, labs, pharmacies, and other health care Providers. Unless you have chosen to opt out, here are a few of the benefits of participation in the Care Profile Program:

1. All authorized treating Physicians will have a consolidated view – or history – of your Health Care Services, assisting them in improved decision-making in the delivery of health care.
2. In times of catastrophic events or Emergency Services, the care profile will be accessible from any location by authorized Physicians so that appropriate treatment and Service can still be delivered.
3. Safe and secure transmission of claim information. Only authorized health care Providers or authorized members of the Provider's staff will have access to your information.
4. Coordination of care among your authorized treating health care Providers.
5. More efficient health care delivery for you.

Keeping your health information private is extremely important, so your care profile will not include certain health information that pertains to “sensitive” medical Conditions, for which the law provides special protection. Health care Providers access the care profile using the same secure, electronic channel they use to file claims. In addition, only authorized members of the Provider’s staff will have access to the information. Remember, this will help your Physician in obtaining important information concerning your health history.

However, if for some reason you or any of your family members choose not to provide your treating Physician access to your claim history, the use of this information may be restricted. Should you choose not to participate, call the customer service phone number on your ID card and inform a service associate of your decision.

Changes in Premium

We may modify the Premiums, without your consent upon at least 45 days prior notice to the Group. Payments submitted to us following receipt of any such notice of modification constitutes acceptance by the Group of any such modification. Compliance With State and Federal Laws and Regulations

The terms of coverage and benefits to be provided by us under the Policy shall be deemed to have been modified by the parties, and shall be interpreted, so as to comply with applicable state or federal laws and regulations dealing with rates, benefits, eligibility, enrollment, termination, conversion, or other rights and duties of you, the Group, or us.

Confidentiality

Except as otherwise specifically provided herein, and except as may be required in order for us to administer coverage and/or benefits under the Policy, specific medical information concerning you received by/from a Provider shall be kept confidential by us. Such information shall not be disclosed to third parties without your written consent, except for use in connection with bona fide medical research and education, or as reasonably necessary in connection with the administration of coverage and/or benefits under the Policy, specifically including our quality assurance and utilization review activities. Additionally, we may disclose such information to entities affiliated with us. However, any documents or information which are properly subpoenaed in a judicial proceeding, or by order of a regulatory agency, shall not be subject to this provision.

Our financial arrangements with In-Network Providers may require that we release certain claims and medical information about you even if you have not sought treatment by or through that Provider. By accepting coverage, each Covered Person hereby authorizes us to release to In-Network Providers claims information, including related medical information pertaining to the Covered Person in order for the In-Network Provider to evaluate financial responsibility under their contracts with us.

Cooperation Required of Covered Persons

You must cooperate with us, and must execute and submit to us such consents, releases, assignments, and other documents as may be requested by us in order to administer, and exercise our rights under the Policy. Failure to do so may result in the denial of claims and will constitute grounds for termination for cause by us as described in the TERMINATION OF COVERAGE section.

Customer Rewards Programs

From time to time, we may offer programs to you that reward you for following the terms of the program. This includes shared savings incentive programs as defined under Florida law. We will tell you about any available rewards programs in general mailings, newsletters and/or on our website. Your participation in these programs is always completely voluntary and will in no way affect the coverage available to you

under this Booklet. We reserve the right to offer rewards in excess of \$100 per year as well as the right to discontinue or modify any reward program features or promotional offers at any time without your consent.

ERISA

We are not the plan sponsor or plan administrator of your Group Plan, as defined by the Employee Retirement Income Security Act (ERISA). If the Group Plan under which you are covered is subject to ERISA, the Group, as either plan sponsor or plan administrator of an employee welfare benefit plan subject to ERISA, is responsible for ensuring compliance with ERISA.

The ID Cards issued to you in no way create, or serve to verify eligibility to receive coverage and benefits under this Booklet. ID cards are our property and must be destroyed or returned to us immediately following termination of your coverage.

Modification of Provider Network

Our Provider network is subject to change at any time without prior notice to, or approval of, you or the Group. Additionally, we may, at any time, terminate or modify the terms of any Provider contract and may enter into additional Provider contracts without prior notice to, or approval of, you or the Group. It is your responsibility to determine whether a health care Provider is an In-Network Provider at the time Services are rendered. Under this Booklet, your financial responsibility may vary depending on a Provider's participation status.

Non-Waiver of Defaults

Any failure by us at any time, or from time to time, to enforce or to require the strict adherence to any of the terms or conditions set forth herein, shall in no event constitute a waiver of any such terms or conditions. Further, it shall not affect our right at any time to enforce or avail ourselves of any such remedies to which we may be entitled under applicable law, the Policy, or this Booklet.

Promissory Estoppel

No oral statements, representations, or understanding by any person can change, alter, delete, add, or otherwise modify the express written terms of this Booklet.

Relationships Between the Parties

Florida Blue and Health Care Providers

Neither Florida Blue nor any of its officers, directors or employees provides Health Care Services to you. By accepting this coverage and benefits, you agree that health care Providers rendering Health Care Services are not our employees or agents. In this regard, we hereby expressly disclaim any agency relationship, actual or implied, with any health care Provider. We do not, by virtue of making coverage, benefit, and payment decisions, exercise any control or direction over the medical judgment or clinical decisions of any health care Provider. Any decisions made by us concerning appropriateness of setting, or whether any Service is Medically Necessary, shall be deemed to be made solely for the purpose of determining whether such Services are covered, and not for the purpose of recommending any treatment or non-treatment. Neither Florida Blue nor the Group will assume liability for any loss or damage arising as a result of acts or omissions of any health care Provider.

Florida Blue and the Group

Neither the Group nor any Covered Person is our agent or representative, and neither shall be liable for any acts or omissions of Florida Blue, its agents, servants, or employees. Additionally, neither the Group, any Covered Person, nor Florida Blue shall be liable, whether in tort or contract or otherwise, for any acts or omissions of any other person or organization with which Florida Blue has made or hereafter makes arrangements for the provision of Covered Services. Florida Blue is not the agent, servant, or representative of the Group or any Covered Person, and shall not be liable for any acts or omissions of the Group, its agents, servants, employees, any Covered Person, or any person or organization with which the Group has entered into any agreement or arrangement. By acceptance of coverage and/or benefits hereunder, you agree to the foregoing.

Medical Treatment Decisions

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for medical Services or supplies, must be made solely by you, your family and your treating Physician in accordance with the patient/Physician relationship. It is possible that you or your treating Physician may conclude that a particular procedure is needed, appropriate, or desirable, even though such procedure may not be covered.

Right of Recovery

Whenever we have made payments in excess of the maximum provided for under this Booklet, we will have the right to recover any such payments, to the extent of such excess, from you or any other person, plan, or organization that received such payments.

Right to Receive and Release Necessary Information

In order to administer coverage and/or benefits, we may, without the consent of, or notice to, any person, plan, or organization, release to obtain from any person, plan, or organization any information with respect to any person covered under this Booklet or an applicant for enrollment which we deem to be necessary.

Subrogation and Right of Reimbursement

As used herein, the term "Third Party," means any party that is, or may be, or is claimed to be responsible for illness or injuries to the you. Such illness or injuries are referred to as "Third Party Injuries." "Third Party" includes any party responsible for payment of expenses associated with the care or treatment of Third Party Injuries.

If benefits are paid under this Booklet for expenses incurred due to Third Party Injuries, then we retain the right to repayment of the full cost of all benefits provided under this Booklet on your behalf that are associated with the Third Party Injuries. Our subrogation and reimbursement rights of recovery apply to any claim or potential claim made by you or on your behalf from the following sources, including but not limited to:

- Payments made by a Third Party or any insurance company on behalf of the Third Party;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers' Compensation or disability award or settlement;
- Medical payments coverage under any automobile policy, premises or homeowners' medical payments coverage or premises or homeowners' insurance coverage; and
- Any other payments from a source intended to compensate you for injuries resulting from an accident or alleged negligence.

By accepting benefits under this Booklet, you specifically acknowledge our right of subrogation. In the event you suffer injuries for which a Third Party is responsible (such as someone injuring you in an accident), and we pay benefits under this Booklet as a result of those injuries, we will be subrogated and succeed to the right of recovery against such Third Party to the extent of the benefits we have paid. This means that we have the right, independently of you, to proceed against the Third Party responsible for your injuries to recover the benefits we have paid. In order to secure our recovery rights, you agree to assign to us any benefits or claims or rights of recovery you have under any automobile policy or other coverage, to the full extent of our subrogation and reimbursement claims. This assignment allows us to pursue any claim you may have, whether or not you choose to pursue the claim.

By accepting benefits under this Booklet, you also specifically acknowledge our right of reimbursement. This right of reimbursement attaches when we have paid health care benefits for expenses incurred due

to Third Party Injuries and you or your representative has recovered any amounts from a Third Party. By providing any benefit under this Booklet, we are granted an assignment of the proceeds of any settlement, judgment or other payment received by you to the extent of the full cost of all benefits provided under this Booklet. Our right of reimbursement is cumulative with and not exclusive of our subrogation right and we may choose to exercise either or both rights of recovery. By accepting benefits under this Booklet, you or your representatives further agree to:

- Notify us promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to Third Party Injuries sustained by you;
- Cooperate with us and do whatever is necessary to secure our right of subrogation and reimbursement under this Booklet;
- Give us a first-priority lien on any recovery, settlement, or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with Third Party Injuries provided under this Booklet (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement);
- Pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due to us as reimbursement for the full cost of all benefits associated with Third Party Injuries paid under this Booklet (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to us in writing;
- Do nothing to prejudice our rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits paid under this Booklet; and
- Serve as a constructive trustee for the benefits under this Booklet over any settlement.

We may recover the full cost of all benefits paid by us under this Booklet without regard to any claim of fault on your part, whether by comparative negligence or otherwise. In the event you or your representative fails to cooperate with us, you shall be responsible for all benefits provided by us under this Booklet in addition to costs and attorney's fees incurred by us in obtaining repayment.

Third Party Beneficiary

The Policy under which this Booklet was issued was entered into solely and specifically for the benefit of Florida Blue and the Group. The terms and provisions of the Policy shall be binding solely upon, and inure solely to the benefit of Florida Blue and the Group, and no other person shall have any rights, interest or claims thereunder, or under this Booklet or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. Florida Blue and the Group hereby specifically express their intent that health care Providers that have not entered into contracts with Florida Blue to participate in Florida Blue Provider networks shall not be third-party beneficiaries under the Policy or this Booklet.

5. In the case of an Out-of-Network Provider that has not entered into an agreement with Florida Blue to provide access to a discount from the billed amount of that Provider for the specific Covered Services provided to you, the allowed amount will be the lesser of that Provider's actual billed amount for the specific Covered Services or an amount established by Florida Blue that may be based on several

factors, including (but not limited to): (i) payment for such Covered Services under the Medicare and/or Medicaid programs; (ii) payment often accepted for such Covered Services by that Out-of-Network Provider and/or by other Providers, either in Florida or in other comparable market(s), that we determine are comparable to the Out-of-Network Provider that rendered the specific Covered Services (which may include payment accepted by such Out-of-Network Provider and/or by other Providers as participating Providers in other Provider networks of third-party payers which may include, for example, other insurance companies and/or health maintenance organizations); (iii) payment amounts which are consistent, as determined by us, with our Provider network strategies (e.g., does not result in payment that encourages Providers participating in a Florida Blue network to become non-participating); and/or, (iv) the cost of providing the specific Covered Services. In the case of an Out-of-Network Provider that has not entered into an agreement with another Blue Cross and/or Blue Shield organization to provide access to discounts from the billed amount for the specific Covered Services under the BlueCard Program, the allowed amount for the specific Covered Services provided to you may be based upon the amount provided to Florida Blue by the other Blue Cross and/or Blue Shield organization where the Services were provided at the amount such organization would pay non-participating Providers in its geographic area for such Services.

In no event will the allowed amount be greater than the amount the Provider actually charges.

If a particular Covered Service is not available from any PPC Provider, as determined by us, the allowed amount, whenever Florida Statute 627.6471 applies, means the usual and customary charge(s) of similar Providers in a geographical area established by us.

You may obtain an estimate of the allowed amount for particular Services by calling the customer service phone number on your ID Card. The fact that we may provide you with such information does not mean that the particular Service is a Covered Service. All terms and conditions included in this Booklet apply. You should refer to the WHAT IS COVERED? section of this Booklet and your Schedule of Benefits to determine what is covered and how much we will pay.

Please specifically note that, in the case of an Out-of-Network Provider that has not entered into an agreement with Florida Blue to provide access to a discount from the billed amount of that Provider, the allowed amount for particular Services is often substantially below the amount billed by such Out-of-Network Provider for such Services. You will be responsible for any difference between our allowed amount and the amount billed for Covered Services by any such Out-of-Network Provider.

Health care reform will affect everyone differently. That's why we want to share information with you about your health plan and how the Affordable Care Act (ACA) affects your benefits.

You are currently enrolled in a plan that is considered a "grandfathered" health plan. This refers to a health plan that was in effect on or before March 23, 2010, when the ACA went into effect. It also means that the basic benefits you have now can remain the same and don't have to include all the requirements that newer plans must include. Some changes, however, may apply, such as the elimination of limitations on pre-existing conditions and the removal of lifetime limits on benefits. Any changes required for grandfathered plans will take effect with your employer's enrollment options that occur on or after January 1, 2014.

What this Means to You

We reserve the right to change our privacy practices and the terms of this Notice at any time and to make the terms of our revised Notice effective for all of your PHI that we either currently maintain or that we may maintain in the future. If we make a significant change in our privacy practices, we will post a revised Notice on our web site by the effective date, and provide the revised Notice, or information about the change and how to get the revised Notice, to covered individuals in our next annual mailing.

We may send an explanation of benefits to the policyholder, which may include claims paid and other information. We may determine that persons are involved in your care or the administration of your health benefits policy if you either agree or fail to object to a disclosure of your PHI to such persons when given an opportunity. In an emergency or in situations where you are incapacitated or not otherwise present, we may disclose your PHI to your family members, friends, caregivers or others, when the circumstances indicate that such disclosure is authorized by you and is in your best interests. In these situations we will only disclose your PHI that is relevant to such other person's involvement in your care or the administration of your health benefits policy.

NON-STANDARD PROVISIONS ENDORSEMENT

**THIS ENDORSEMENT CHANGES THE COVERAGE UNDER YOUR HEALTH PLAN.
PLEASE READ IT CAREFULLY.**

Your health plan has been customized at the request of your Group, this means that some of the standard language in this Booklet does not apply to your health plan. These changes are listed below.

WHAT IS COVERED?

The **Child Health Supervision Services** category is deleted in its entirety.

The following category is added in alphabetical order:

Family Planning

Family planning Services are covered and include:

1. family planning counseling and Services, such as counseling and information on birth control; sex education, including prevention of venereal disease; and fitting of diaphragms;
2. contraceptive medication by injection provided and administered by a Physician;
3. intra-uterine devices indicated as covered in the Preventive Services Guide, located on our website at www.floridablue.com/healthresources; coverage includes the insertion and removal; and
4. surgical sterilization (tubal ligations and vasectomies).

Note: Some family planning Services are covered under the Preventive Services category and will be paid in accordance with that category. Please refer to that category for more information.

Contraceptive medications, devices and appliances, other than as noted above may be covered under your pharmacy benefit. Refer to the PRESCRIPTION DRUG PROGRAM section for more information.

Exclusion

Contraceptive medications, devices and appliances, other than as noted above, and the reversal of surgical sterilization procedures are not covered.

The following category is added in alphabetical order:

Preventive Services

Preventive Services may be covered for both adults and children based on prevailing medical standards and recommendations which are explained further below. Some examples of preventive Services include (but are not limited to) periodic routine health exams, routine gynecological exams, immunizations and related preventive Services such as Prostate Specific Antigen (PSA), routine mammograms and pap smears.

In order to be covered, Services shall be provided in accordance with prevailing medical standards:

1. consistent with evidence-based items or Services that have in effect a rating of 'A' or 'B' in the current recommendations of the U.S. Preventive Services Task Force (USPSTF) established under the Public Health Service Act;

2. consistent with immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention established under the Public Health Service Act with respect to the individual involved;
3. with respect to infants, children, and adolescents, evidence- informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and
4. with respect to women, such additional preventive care and screenings not described in paragraph number one as provided for in comprehensive guidelines supported by the Health Resources and Services Administration.

More detailed information, such as medical management programs or limitations on Services that are covered under the Preventive Services category is available in the Preventive Services Guide located on our website at www.floridablue.com/healthresources. Drugs or Supplies covered as preventive Services are described in the Medication Guide. In order to be covered as a preventive Service under this section the Service must be provided as described in the Preventive Services Guide or, for Drugs and Supplies, in the Medication Guide.

Note: From time to time medical standards that are based on the recommendations of the entities listed in numbers 1 through 4 above change. Services may be added to the recommendations and sometimes may be removed. It is important to understand that your coverage for these preventive Services is based on what is in effect on your Effective Date. If any of the recommendations or guidelines change after your Effective Date, your coverage will not change until your Group's first Anniversary Date one year after the recommendations or guidelines go into effect.

For example, if the USPSTF adds a new recommendation for a preventive Service that we do not cover and you are already covered under this Booklet; that new Service will not be a Covered Service under this category right away. The coverage for a new Service will start on your Group's Anniversary Date one year after the new recommendation goes into effect.

Exclusion

Routine vision and hearing examinations and screenings are not covered as preventive Services, except as required under paragraph number one and/or number three above.
